

# KEEPING YOUR CHILD HEALTHY, COMFY & COZY

## COVID-19 HEALTH PRECAUTIONS

Following archived Interim Guidance

### PPE

Staff will continue to wear a mask while indoors. Mask wearing indoors for children is optional, subject to change should there be an increase in CV-19 spread.

### NO VISITORS

As an added measure of precaution, outside visitors will not be allowed except for OCFS licensing representatives. Newcomer tour time designated after program hours.

### TEMPERATURE CHECK

Temperature will be taken upon arrival using a contactless thermometer.

### SMALL GROUP

Small group size of 6 children (half capacity) with two teachers to provide social distancing between children.

### HEALTH CARE POLICY

Modified policies responsive to COVID-19 & the health and wellness of children and families. Monitoring & keeping children home at the onset of illness until symptom free or with pediatrician's clearance.

### MEDICAL-GRADE HEPA FILTER

Removes 99.9% of particles down to 0.1 micron, cleans the room every 15 minutes (250 sq ft) ozone free, continuously run during and after hours.

### HEALTHY HABITS & DISINFECTING

Frequent hand washing; hand sanitizing before and after playing with shared materials. Frequent cleaning & disinfecting practices of materials and program space indoor and outdoor.
