

*One sofa...  
One Hundred years...  
Countless lives lived on it.*

*Life of a Sofa*

When a young couple purchases a new sofa for their home in 1922, little do they realize the number of lives it will touch as it is sold and re-sold over the next 100 years. Join us at the Broadway Theater as we bring this WORLD PREMIER MUSICAL to our stage this holiday season. You'll be laughing out loud one minute and reaching for a tissue the next.

The perfect holiday treat.
