

TABLE HOST

TABLE HOST (FREE)

An instrumental part of the success of this event will be the recruitment of table hosts who pledge to fill a table with 8 guests.

Our goal is to provide every student in the Bowie/Mitchellville area with the ability to report unsafe, dangerous and life-threatening activities in their schools and to provide existing parent groups with the tools and resources needed to effect system wide safety changes in our schools. It is with this in mind that we, respectfully invite you to play a crucial role in our fundraising dinner by being a Table Host. The goal of this free dinner and program is to raise awareness and funds for Text 2 Stop It and Who Cares? You Care programs and services.

Each table host is responsible to fill a table of eight people by inviting up to eight guests personally. Guests may be friends, coworkers, family, neighbors, anybody you know. Your role is to ask others to attend. You will not have to ask them for money. It will be our job to inspire guests so that they want to give; no one is required to give and there is no minimum gift level. As much as anything, we want people to come and find out more about how we plan to make Bowie/Mitchellville schools safer, with our proven and successful plan.

Thank you for your support. Please do not hesitate to contact me if you have any questions.
