

## Conference Agenda

### 2013 Interprofessional Faculty Development Institute for Quality Improvement and Patient Safety

**Institute Goal:** To create faculty champions who can enhance interprofessional curricula, learning experiences, and learner assessment in quality improvement and patient safety (QI/PS) at the point of patient care.

**Institute Purpose:** To develop faculty teams able to create an implementable plan for an interprofessional project that will allow the teams to undertake curricular change in their home institutions. Projects will focus on improving learner competence and skills in quality improvement and patient safety.
