

1ST PORT NELSON CAMPING EQUIPMENT CUBS FALL/SPRING GEAR LIST

Please ensure that everyone has their uniform (*including neckerchief*) with them for **every** camp.

BEING PREPARED for the weather will mean that everyone can enjoy the outdoors, be comfortable and safe.

CLOTHING:

- Full Uniform
- Jacket (water proof, or a raincoat & warm fleece if their winter jacket is not water proof)
- Winter Pants/Rain Proof pants
- Socks (preferably wool, 1 pair for sleeping in, 2 pairs per day)
- Long sleeve shirt
- 3 T-shirts
- Long Underwear (Tops & bottoms that can be worn under clothing or as PJ's) As the nights get cooler it makes sense to sleep in extra clothes as you'll need the extra warmth)
- Underwear (fresh pair daily)
- Indoor shoes or solid sole slippers (*The floors of the cabins can be cold and socks won't do.*)
- Pyjamas
- Sweater/Fleece
- Toque & Hat
- Mittens
- Extra pair of pants
- Good water proof boots **and** 1 pair of shoes (preferably hiking boots)

*It is **extremely** important that you layer clothes in the cooler weather.
When you feel a chill you can then add layers, change into dry socks etc. to stay warm....
It is far easier to stay warm than get warm up after going cold!*

EQUIPMENT:

- Backpack for everything to be carried in.
- Sleeping bag (rated for cooler temperatures)
- Insulated sleeping pad (Therma-rest or blue foam pad *air mattresses* are too cold for fall/spring weather)
- Flashlight (with extra batteries)
- Chapstick, sunscreen, sun glasses
- Toothbrush, toothpaste & toiletries
- Mess Kit: knife, fork, spoon, plate, bowl, mug & a sturdy refillable water bottle
- Soap (for washing hands & dishes, biodegradable camp soap comes in small bottles & is excellent for doing both)

SPECIAL:

- Any medication should be given to the Camp Chief to ensure that it is available for any medical emergencies. Please include a set of instructions as to how to administer the medication in case of an emergency
- Snacks: The Scouts plan a full menu in advance for food/snacks and will have plenty to eat without needing anything from home
- Please note that it is a wise idea to pack your clothes and sleeping bag wrapped in plastic garbage bags if the weather is to be wet (or if there is snow on the ground).
- Please label all articles with your name

PLEASE NOTE:

*The group has equipment that any Cub can borrow if they are short at all.
Please contact you group Scouter if you are in need of anything*

FINALLY: *Please check the weekend weather when packing for the trip to be sure you have everything that you need!*
