Demise of the Democrats

The following is one's Political Science Assessment as to how the Democrats lost the 2024 Election. Despite their efforts to incriminate Trump, propagandize him with the help of the Media Class and Assassinate him on several accounts, Trump was elected the 47th President of the USA. He has made Political Science History. Here what follows is a Rationale for why the Democrats caused enough of a Divided Nation to vote for Trump. The Democrats basically sold-out America's Working Class, both Men and Women.

The Democrat Party once stood for this Class. Not anymore. It stands now for all that is Lunacy, Degenerate and Perverse, in many Minds. Consider that it was the Republicans that were Pro-Big Corporation and Global Government. Since the early 1980s, it was the Republicans who facilitated the leaving of Big Industry from the USA to China and Mexico. Consider how Nixon, Kissinger and then Bush Senior made a Deal with China. Bush Senior was Ambassador to China. And the rest is History as they say.

Then the Educational Establishment has been a Victim of its own Success in how now these latest Generations have to be coddled with Safe Rooms, Coloring Books and with Milk and Cookies at their Elite Universities. It is all because of their denial of the political realignment. It is the Left that is now the Affluent Liberal Class that leans increasingly left, towards the Democrats. And? The Political, Social and Economic Battle Lines are now about the Working Class and the Middle Class the Left has helped to Destroy.

For example, thanks to their COVID Plandemic, it wiped-out the Upper Middle Class Entrepreneur Class. The Working Professionals now do not have Money to send their White Students to University. And the Demographic Clip is set to begin within 5 Years. This is thanks to the Leftist Brainwashing of Feminism and Social Justice that has immaculate the White Man, and Men in general. Universities and Colleges are panicking because of all the nearly 80 Million Abortions performed, mainly by White Women. And?

There are no more Teenagers, enough to go around for Universities and Colleges to keep their Indoctrination Institution open anymore. So, the biggest Ethnic Replacement in the USA will be by Hispanics. Within the Trump Administration, nearly 70% of all New Students will not be White anymore. And the Great Divide is no longer a Left vs. the Right. It will be between the Technocrat, Scientific Elites vs the Working Class. It will be like a Soviet Style of Politics with the Supreme Committee at the Top.

Just Your Average Joe

Then you have the Politburo and then the Masses at the Bottom of the Political Pyramid. It will be like the Book, '1984', which was not Fiction, on many Minds. What has distinguished the Classes is how increasingly, it has become those Credentialed College Educated Types who work in Information Technology, A.I., and then those who are just your Average I.Q., Type of People. But in the A.I. World, those who control the Information, control the World and its People. This Principle has been true since Adam in the Garden. So, how did the USA get here? What happened? It was 'Gradual and then Suddenly'.

Over the last 60 years, the Elites, but on the Democrat and Republican Sides created an Economy that has now transfers the Wealth from the Professional and Working Class to the Luciferian Elites. Finally, to a degree enough to elect Trump, the Professional and Working-Class Americans, of all Races stopped seeing themselves reflected in the Democratic Party. Democrats once believed in a Strong Border to protect Working-Class Wages. It was the Democrats who used to support Trade Tariffs to protect the Labor of American Workers, etc.

As the Left has demonized Men, Masculinity, the Patriarchy, the White Man in the USA, and especially being of Faith, being a Christian 'Nationalist' Nazi has marginalized at least 60% of the U.S. Population. They are tired of being called Nazis, Bigots, Racist and Fascist. It is the Lunatic Left that is all that and more. Their Religion is Lucifer. They seek to stop People from Praying at their Abortion Killing Mills or Clinics. Americans are tired of Identity Politics and Diversity, Inclusion and Equity B.S.

The Divide is a class divide. It is not based on race or gender. The Real Issues are World War 3, the Price of Gas, Eggs and Meat; Rampant Crime and Migrant Preference over Americans 1st. But part of the Cause of the Democrat Demise is who their Media Class also was a Victim of their own Success or rather Delusion. Their False Façade was not powerful to cast a Spell of Mass Psychosis as they had done with COVID. Their Media Class rather focused on Abortion, Race, Gender and Sexuality.

Perhaps the Generation Y and Z are seeing they have no Future as they are the 1st Generation that is Dumber, Poorer and Confused than their Parents. And this is all thanks to the Leftist Agenda, all by Design. They perhaps started to see how their Student Loans were not going to be paid. Or how Biden Billions of their Dollars rather went to the Ukraine. Endless Foreign Wars and Social Justice do not resonate with the Working Class.

Perhaps this Generation is starting to see how their Government needs to put Americans 1st and a National Election is not all about Abortion, Race and Gender Confusion. No, the Professional and Working Class is not Racist or Sexist for electing Trump. Since Harris only really focused on Abortion as the Key Issue in the Campaign, she only got the Single Women Votes. However, according to the Exit Polls, Mothers did not deliver Harris her Victory. And they too are tired of being called a Nazi Christian White Supremacist for doing so.

A Parasitical Inconvenience

It turns out that those who Name-Call turn out to be the supposed College Educated Women. But it is because they cling to the Abortion Issue. It is how they want to 'Have their Cake and Eat it too'. How So? Thanks to Feminism and the Culture of Free Love, most Young Women in the USA want to Whore around, especially in College. And if a consequence is a Pregnancy, they want to End that Life. They do not want that 'Thing' or 'Parasite' as they call it to distract them from their Women's and Gender Degree in which they hope to work for the Federal Government and make over \$130,000 a Year.

This is precisely the Working Brainwashed Rationale being inculcated in the Minds of about 95% of entering Freshmen in College. One can personally attest to this as one works with such a Population on a Daily Basis. Here is where Harris went 'Wrong' and lost the Election. Surprise. Trump is for Abortion Rights. You see, Democrats run on a Made-Up Problem. In the case of Abortion, they tried to scare all Women in the USA that there was going to be a 'Nazi' Style National Abortion ban if Trump won.

This is the same Argument Women used against Trump in his 1st Tenure. The Premise was False, of course. And what could they, Women and their Simp Men do? They put on Vagina Hats and had their Mass Mark on Washington D.C. No, Democrats are Masters in Divide and Conquer Tactics. Harris ran on a made-up Fake Problem that only allowed Rich White Educated Women to feel like they are really the Oppressed Class, not like Black Women are.

Then the Democrats brought-out Obama and Hollywood Celebrates to berate Weak White and Black Men to show-up to indulge Rich White College Educated Women to protect their Right to kill their Unborn. Then the Leftist Liberal Women have decided to go on Sex Strike. If it would only be True. The best thing the World would benefit from this Reaction is to stop them from Reproducing themselves and their Satanic Ideology. Trump won because he was running on a Real Problem facing the Professional and Working-Class. The Bottom Line is that Men and Working Mothers cannot afford to feed their Families anymore.

The Women's Feminist Movement is now the Victim of its own Success. In the next few Years, there will be a Demographic Cliff. In that there will be no more 18 Year-Old to go off to College. That is, White 18 Year-Olds. Most are now replaced by Hispanics that have crossed the Border en-masse. They understand that their Jobs have been shipped overseas as the Luciferian Globalists are seeking to replace them with imported Millions of People. To the Leftists, it is about Absolute Power.

And they determine what is 'Free' or what is 'Truth'. Consider how Trudeau of Canada treated the Truck Drivers of Canada during their Fake Fauci Plandemic. Trudeau cut-off all Bank Account access and to Fuel and Food of those that did not take their COVID Kill-Shot. Their Business and Truck Services were closed. They used the Willing Police to slash Tires and siphon Fuel from the Trucks. Donation Websites like Go Fund Me that sought to aid the Truckers were cancelled. This is what the Left wants for the World.

And as they Protested, Thugs sent by the World Economic Forum came to bash the Heads of any Protestors as their Royal Mounted Police used their Horses to stomp on Elderly 1st Nation Grandmothers. That is what the Son of Fidel Castro's Bitch son did whose Quebecois 'Father' Trudeau regularly engaged in their Lucifer, Cocaine supplied Pedophile Parties. That is what the USA is headed for, eventually. Trump has just gotten in their way, again.

The Democrats have become the Party of Lunatic Luciferian Leftist Elites. They have Contempt for the Professional and Working Class. They are the Backbone of the Moral Nation because, to an extent, they function within the Divine Design of Sex, Gender and Patriarchal Set-Up. They tend to be Conservative and of Faith. That is the Real Issue and why the Left is at War with the Family and its Traditional Values, etc.
