

A QUIET SECRET

quiet, like a heartbeat
quiet, like a tear
 rolling down a tender cheek
quiet, like snow melting
quiet, like feathers ruffling
 before freedom's flight
quiet, like water freezing
quiet, like pain, when easing
 as love refills a broken heart
quiet, like sighing
quiet, like a baby's breathing
 as watching parents dream
quiet, like teasing
quiet, like a smile
 as a lover's eye winking
quiet, like seduction
quiet, like surrendering
like offering and giving
quiet, like a wish
quiet, like desire
 floating on the sea of temptation
quiet, like that distant planet spinning
quiet, like the wings of that angel
 that I'm dreaming of meeting
quiet, as a secret buried
 in the depth's of heart
Like a treasure chest of love
 if ever I'm discovered
can I be kept as your secret
 QUIET!
