

PETITION AGAINST ASSISTED SUICIDE in NEW YORK STATE

We **oppose** New York Bills seeking to legalize assisted suicide/euthanasia in New York State. If the assisting person is a doctor, the event may be termed physician-assisted suicide. Passage will create new paths of elder abuse in which heirs and other predators will be able to pressure and abuse older people to cut short their lives. In Oregon, where assisted suicide is legal, patients desiring treatment under the Oregon Health Plan have been offered suicide instead. We do not want nor need the "Oregon Experience."

PETITION TO THE NEW YORK LEGISLATURE and THE GOVERNOR,

I am a New York State Resident and I oppose legalized Assisted Suicide/Euthanasia, less commonly known as "aid in dying".
