Tissue donation has been completed through the Gift of Life.

Biography

Gerald (Gary) J. Muntz, 84, of Bad Axe died Sunday, February 16, 2025 at McLaren Hospital in Lapeer, Michigan. He was born March 2, 1940 in Bad Axe, son of the late Willard and Aletha (Bouvrette) Muntz. Gary and Judith (Groth) Muntz were married at St. Joseph Catholic Church in Argyle on October 14, 1961. He was a member of St. Hubert's Catholic Church in Bad Axe his whole life. Gary worked as an office manager at Rooney Contracting for over 46 years. He enjoyed hunting, fishing, bowling, eating Judy's homemade foods, and pressing his luck gambling. He loved visiting with friends and family, spoiled his pets, took pride in tending to the garden, and always made sure his yard was well-kept. You could often see his freshly waxed vehicles from the road - most notably his 1976 Laguna that Gary would take out for the car shows.
