### Taps

*Day is done, gone the sun  
 From the lake, from the hills,  
 from the sky.*

*All is well, safely rest, God is nigh.*

*Fading light, dims the sight,  
 And a star gems the sky, gleaming bright  
 From afar, drawing night, falls the night.*

*Thanks and praise, for our days,  
 'Neath the sun, 'neath the stars, 'neath the sky.  
 As we go, this we know, God is nigh.*

*Sun has set, shadows come,  
 Time has fled, scouts must go to their beds.  
 Always true to the promise that they made.*

*While the light fades from sight,  
 And the stars gleaming rays softly send,  
 To thy hands we our souls, Lord, commend.*

The Fall leaves are falling, the days are getting shorter and chillier and we are in one of our favorite seasons here at The Harvest Years! November will bring many activities and opportunities to gather us together.

We will honor our Veterans on Friday, November 9th with a ceremony beginning at 11 AM, followed by lunch. We pay tribute to them and all that they have done for us and our country.

Our holiday celebrations will kick off with a traditional Thanksgiving luncheon on Wednesday, November 14th. A delicious Thanksgiving turkey will be roasted, with all of the trimmings, so please make your reservations early!

Do you need some soup on these chilly days? Our soup kitchen is open for business! Please check out our daily menu for our soup de Jour. You may purchase a cup or a quart or two to take home and enjoy. Stock up for the weekends too!!

A huge thank you, to all of you, that volunteered at our October fundraisers. The Spaghetti Dinner, the Sub Sale and our Annual Yard Sale were all successes because of you!! The donations and baked goods were very much appreciated. Thank you again!

During the month of November, our *Annual Giving Campaign* continues. By now, you and your neighbors should have received our 2018 Campaign Brochure outlining our programs and activities here at The Harvest Years. This annual campaign is VITAL for our financial securing. Please encourage all you know to donate all that they can. It is very much appreciated and all is put to good use. A big thank you to those of you that have already given for 2018.

My sincerest best wishes to all of you and your families for a very **HAPPY THANKSGIVING.**

**Thank you.**

Readers of the Harvest Years Monthly may know that I decided more than a year ago to retire from the State Senate at the end of my current term. Thus, I am not a candidate for re-election in this month's elections. Accordingly, this is my last Harvest Years Report. I want to thank Harvest Years for allowing me to share my thoughts on legislative matters each month for the past many years. I also want to thank the many Harvest Years members who have supported my efforts throughout my Senate service.

Serving the people of the 17<sup>th</sup> District has been a privilege and an honor I will cherish for the rest of my years. Knowing that the people placed their faith in me to represent their interests in so many different ways on so many important issues is both humbling and gratifying, not to mention, on occasion, daunting and challenging.

The decision to retire was actually fairly easy given that my wife Rocky and I are both now in our seventies and the allure of more time with children, grandchildren and each other is strong. It is not without regret, however. I will sincerely miss working with so many wonderful, committed Kent Countians and others in mutual efforts to make our community better.

In addition to my concern for fiscal responsibility as a member of the Joint Finance and Capital Improvement Committees, and to my efforts to balance the diverse views in the 17<sup>th</sup> on the many significant social issues that dominated much of my Senate tenure, I have tried to focus on specific, local initiatives that would make for a brighter future right here in Kent County. There were street issues: resolving the serious traffic problems on Thomas Harmon Drive in Camden, rebuilding North Street in downtown Dover (creating Loockerman Plaza in the process), and finally getting DelDOT to include the Camden ByPass in its Capital Transportation Program. Of particular satisfaction was the renaming of Court Street in Dover to be Martin Luther King, Jr. Boulevard, recognizing Dr. King's fundamentally important contributions to the fabric of our nation.

I worked hard to allocate Community Transportation Funding fairly and productively among the three towns in the District - Wyoming, Camden and Dover, as well as the intervening neighborhoods, and to bring fairness to residents of manufactured home communities like Wild Meadows and Barclay Farms; to add cameras to the fight against crime in downtown Dover and to help maintain the vitality and viability of our senior centers, our veterans organizations, our fire companies and our homeowner associations.

Delaware State University was always in the forefront of my thinking and I am happy to have played a role in bringing the Inspire Scholarship to full bloom, in securing the former Civic Center acreage for future DSU development and in insuring fair treatment throughout the budget process for DSU - our flagship of higher education institutions.

Underlying virtually all my Senate activity has been a concern for good jobs here in Kent County. Every time I drive by the DE Turf in Frederica, and see the many hundreds of cars from all over the Mid-Atlantic region, I am proud to have been part of the group that fought long and hard to bring this job-creating, economic asset to fruition. And, finally, after years of struggle, we were able to address the serious mistakes the State had made with regard to our casino industry. Those mistakes threatened the jobs of nearly 2,500 Kent Countians. The passage of legislation just this past June will go a long way toward stabilizing this industry so important to our local economy.

I would not have had the opportunity to undertake these and other initiatives without the support of many, many people who helped me understand the issues, provided factual data and solid reasoning on those issues, who took the time to communicate their thoughts and ideas and who did myriad other things to help me serve the people of the 17<sup>th</sup> District to the best of my ability.

Thank you.

# PERIPHERAL NEUROPATHY WARNING!

Dover, DE - The most common method your doctor will recommend to treat your neuropathy is with prescription drugs that may temporarily reduce your symptoms. These drugs have names such as Gabapentin, Lyrica, Cymbalta and Neurontin, and are primarily antidepressant or anti-seizure drugs. These drugs may cause you to feel uncomfortable and have a variety of harmful side effects.

Figure 1: Notice the very small blood vessels surrounding each nerve.

Peripheral neuropathy is a result of damage to the nerves often causing weakness, pain, numbness, tingling and most debilitating balance problems. This damage is commonly caused by a lack of blood flow to the nerves in the hands and feet which causes the nerves to begin to degenerate due to lack of nutrient flow.

Figure 2: When these very small blood vessels become diseased they begin to shrivel up and the nerves begin to degenerate.

**In order to effectively treat your neuropathy three factors must be determined**

- **What is the underlying cause?**
- **How Much Nerve Damage Has Been Sustained.**  
NOTE: Once you have sustained 85% nerve loss, there is likely nothing that we can do for you.
- **How much treatment will your condition require?**

**The treatment that Dr. Steve Goldschlager, D.C. provides has three main goals**

- 1) Increase blood flow**
- 2) Stimulate small fiber nerves**
- 3) Decrease brain-based pain**

Figure 3: The blood vessels will grow back around the nerves much like a plant's roots grow when watered.

**Dr. Steve Goldschlager, D.C. will do a neuropathy severity examination to determine the extent of the nerve damage for only \$60.00 for the first 25 callers. This neuropathy severity examination will consist of a detailed sensory evaluation, and a detailed analysis of the findings of your neuropathy.**

**Call 302-735-5501 to make an appointment to see if Dr. Goldschlager can help you.**

Note: We are located at 77 Greentree Drive in the Greentree Shopping Center.
