Charlie and Mark had NO trouble with the aerated greens - both holed multiple puts over 10 feet to win by 2 over Andrew. Charlie shot one under gross on the front. Andrew bests JP in the match play final 6 and 4. Jim said the closest he ever got was one down after the 3rd hole. Billy starts with 3 doubles claiming dizziness from his medication but then birdies 3 out of 5 holes from 7 to 11 almost making a hole-in-one on 11 (less than a foot). Many mistakes on the scorecards as people didn't see JP's email that corrected the handicaps. Ed K claims fatigue from playing with Bob N on Thursday and this his 8th day in a row for his lackluster performance. He did have a special chauffer pick him up after the round. Mike and Ron offered Charlie and Billy \$11 for the side be on the 9th tee - they refused and ended up winning \$16. Mansour promised to bring beer next week for his hole in one - MJ will bring beer for his win before Tampa the week of 10-23 so we will all be able to get wasted 2 weeks in a row. Charlie and Mark can bring additional libations too.
