SYS would like to invite you to our soccer camp where we pride ourselves on working with young people. You will learn the sport of soccer and how to continue to improve both team and individual skills after camp.

You will learn fundamentals, unselfish play, and team play. We are concerned with helping each camper as a player and a person. Sportsmanship is always expected on and off the field.

Our camp will be a broadening experience for each camper and a fun learning experience. We hope you will encourage your friends and teammates to enjoy this experience with you.
