

THE GATEWAYS OF BAAAL II

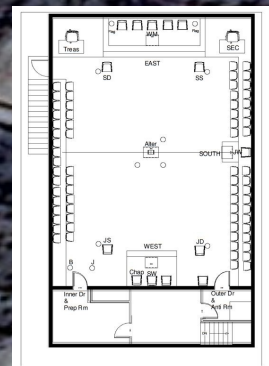

The purpose of this illustration is to depict the aftermath of how the ISIS Muslim fighters destroyed the ancient Temple of Ba'al in Palmyra, Syria. This temple was the center of Ba'al worship that involved the sacrifice of babies onto the blazing arms of the Moloch idol. In a guise to appease the 'Gods', many families elected to dispense with raising children as being cumbersome and expense to undertake. To sear the conscience, the supposed 'worshippers' would 'sacrifice' their produce of sexual unions to the 'Gods' in a way to dispense with them. Such a practice amounted to infanticide and 'abortion'. A lot of babies were actually conceive in the 'temple' worship rituals of unions with the temple prostitutes that were considered part of the worship rituals and sacraments.
