FREE ASSOCIATE'S DEGREE PROGRAM FOR COASTAL FL PBA MEMBERS & THEIR FAMILIES

The Eastern Gateway Community College Free Associate's Degree Program offers working families an accessible, debt-free and convenient higher education opportunity. PBA members and their spouses, children, financial dependents and grandchildren can all take advantage of this exciting opportunity.

Classes are online, which is ideal for busy adults. If you have to interrupt your studies because of a busy week at work, you can pick up where you left off with no penalties. Study anytime, anywhere, at your pace.

Eastern Gateway Community College Is Regionally Accredited

The PBA has partnered with Eastern Gateway Community College (EGCC), a public, non-profit school in the University System of Ohio and is regionally accredited by the Higher Learning Commission. Credits you earn can transfer to other schools, potentially saving you thousands of dollars.

Zero Out-Of-Pocket Costs

Coastal Florida PBA members and their families can earn an Associate's Degree online with no out-of-pocket costs. A last dollar scholarship covers the difference between any federal grants and your tuition, fees and e-books at Eastern Gateway Community College (EGCC).
