

THE OPAL

STANDARD FLOORPLAN

3 Bedrooms / 2 Baths

(Floorplan Shown in Frame Version)

Block:

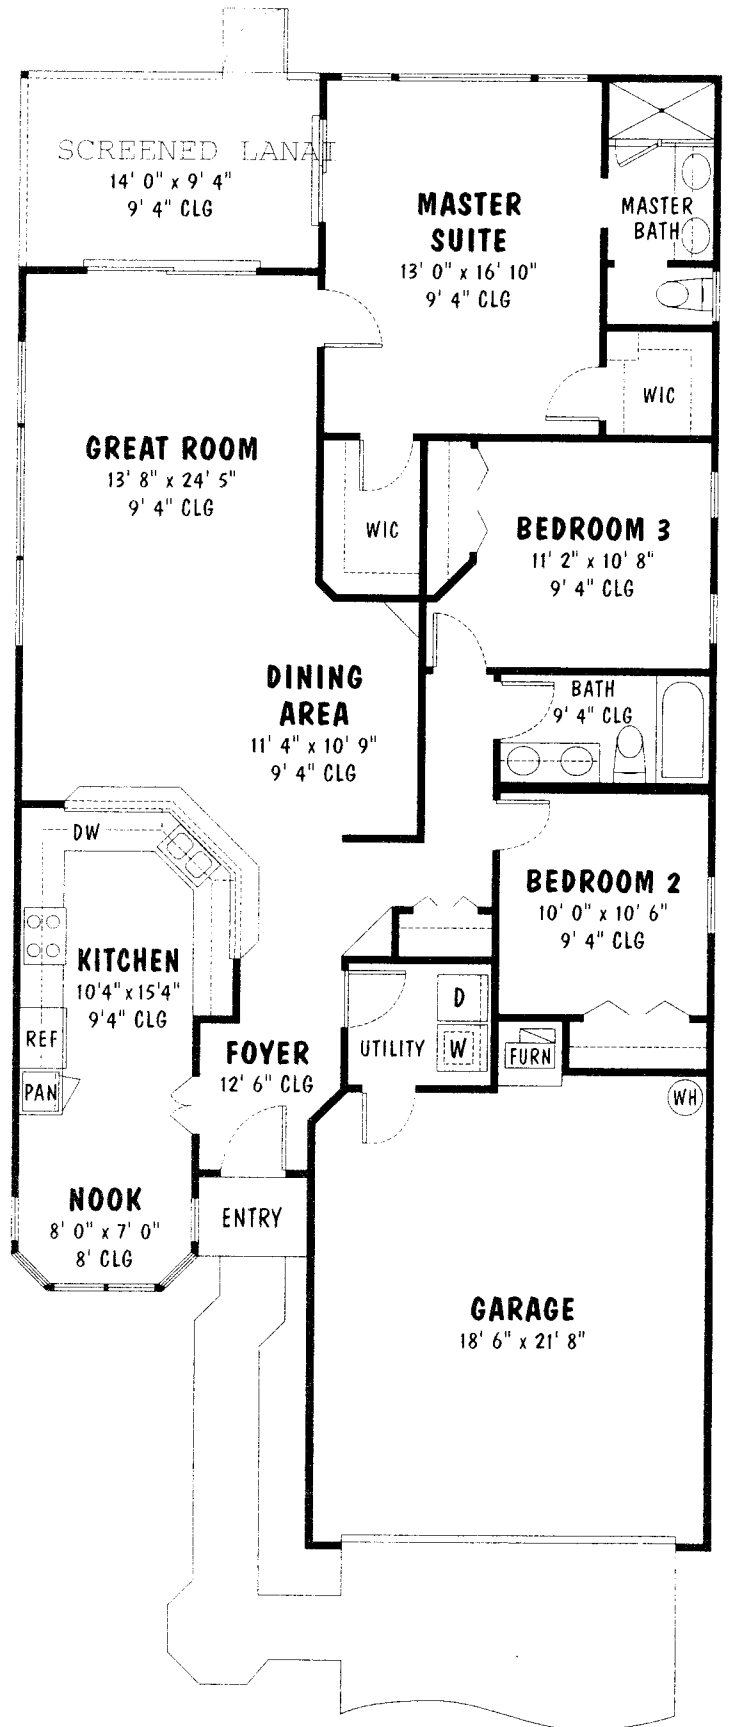

Living Area 1616 sf • Total Area 2204 sf
(Frame elevation not available in all communities.)

One of this home's most impressive and visible features is the large bay window that adds depth and light to what is already an impressive kitchen.

This open Great Room plan allows you the flexibility to design your own sitting and dining areas. This spacious Kitchen offers plenty of room for a table setting near the bay window and a high-countered breakfast bar opens to the Great Room. The Great Room and the adjoining Screened Lanai will provide plenty of space for entertaining.
