## Senior Vice Notes

Happy New Year Marines,

Hopefully everyone had a wonderful Christmas with friends and family. Congratulations again to Bill Mason (2025 HIB Marine of the Year) and Christie Dowlen (2025 HIB Associate of the Year) for their well deserved recognition. Who will rise to the challenge and claim the awards for 2026? As we begin the new year think about how you can make an impact on our detachment. The opportunities will present themselves. It's up to you to seize them!! Proud to serve with you!! Semper Fi!!

# **HIRAM I BEARSS DETACHMENT**

## **FOR THE GOOD OF THE DETACHMENT**

### **Christmas Party 2025**

The HIB 2025 Christmas Party was a success due in large part to Associate member Julie Jones who catered the event. Everyone had a wonderful time and the Detachment was able to show its appreciation to members by providing awards to the members that have made the HIB Detachment not only possible but have made it one of the best Detachments in the state. Thank you!

### **Awards**

**“Some people spend an entire lifetime wondering if they made a difference in the world. But, the Marines don’t have that problem.” – Ronald Regan**

Each year the HIB Detachment acknowledges the efforts of members that have made a difference and have helped the Detachment throughout the year. We wish to thank everyone that has made this Detachment possible. Please know that we appreciate your efforts.

**The Hiram I Bearss Detachment Marine of the Year and Associate of the Year are awarded to a regular member and associate member of the Detachment that have exemplified the ideals and vision of the Marine Corps and Marine Corps League.**

**Congratulations to the HIB Marine of the Year, Bill Mason.**

Bill has served as Detachment Paymaster and has served with integrity and passion. Although new to the Detachment within the past 3 years, Bill agreed to serve during a stressful time and was eager to learn the job of Paymaster even while learning about the League and Detachment. He has served without complaining even when constantly under pressure to ensure that HIB financial matters are reconciled and resolved. We appreciate Bill's leadership and attention to detail. Well deserved Bill!

## Congratulations to the HIB Associate of the Year, Christie Dowlen.

Christie was of great assistance during a spring conference where she served the Detachment by operating our Ship's Store table which produced additional income to the Detachment. This would not have been possible without Christie's assistance. Thank you Christie.

### Distinguished Service Award:

The certificate that is given for the Distinguished Service Award states: ***The Distinguished Service Award is awarded in appreciation and gratitude for meritorious service in the interests of the United States of America, the United States Marine Corps and the Marine Corps League.*** The award acknowledges extraordinary efforts that members provide to the Marine Corps League and to the HIB Detachment. Without these efforts the Detachment would cease to exist. The following individuals were awarded the Distinguished Service Award due to their efforts and commitment to the Hiram I Bearss Detachment.

**Dennis LeBlanc** – Dennis has proven his leadership and commitment to the Hiram I Bearss Detachment time and again having served in various past offices. The continuation of the Detachment is due in large part to Dennis' leadership and. Without Dennis' advice and leadership the Detachment would not have the successful income sources that we have had. Dennis has also been our gaming expert as well as stepping up at the gun shows and has stepped up in place of absent staff during meetings. He actively participates during Detachment meetings and Department conferences. He displays the *esprit de corps* that is the heart of the Marine Corps and Marine Corps League.

**Grace Labens** – Grace has served as the HIB Adjutant for the past two years but has readily stepped up and volunteered wherever needed. Grace pays attention to detail and ensures that correspondence is properly distributed. Having been selected as Associate of the Year for 2023 and 2024, Grace continues to actively participate by offering suggestions, anticipating needs and taking action when needed.

**Sam Heitzman** – Sam serves as Junior Vice Commandant for the HIB Detachment. Sam also takes the lead in setting up and coordinating our participation in gun shows. It is with Sam's leadership that the gun shows continue to be a source of income for the Detachment. Along with taking the lead with the gun shows, Sam also makes himself available for various projects and assists in coordinating events.

**Jochen Hardwick** – As the current Commandant of the HIB Detachment Jochen has continuously exhibited his leadership and passion for the Marine Corps, the Marine Corps League and it's mission. From cleaning the barracks, to pulling weeds, to moving a shed, no task has been too small or too large for Jochen to take on. Leading by example and leading without thought of reward or compensation is standard for Jochen.

### **Special Detachment Award**

This year the Detachment presented Connie Hamm with a special Detachment award for her efforts above and beyond her service to the Detachment.

**Certificate of Appreciation – This certificate states, In appreciation of your support of the activities and mission of the Hiram I Bearss Detachment and the Marine Corps League.**

# Questions and Answers

## Q: Can anyone join the Marine Corps League?

**A:** Anyone can apply to join the Marine Corps League, you do not have to have served in the Marine Corps. If you served in the Marine Corps you will apply as a **Regular** member. If you have not served in the Marine Corps you would apply as an **Associate** member. However, all applications are reviewed by the Board of Trustees of the receiving Detachment. After the Board of Trustees has reviewed them, the applications that are approved by the Board are then brought before the membership for approval or disapproval.

## Q: What is the difference between a Regular and Associate member of the Marine Corps League?

**A: Regular Member** - If you are currently serving or have served honorably in the United States Marine Corps, "ON ACTIVE DUTY," for not less than ninety(90) days and earned the Eagle, Globe and Anchor;\*or have served or are currently serving in the United States Marine Corps Reserve and have earned no less than ninety (90) Reserve Retirement Credit Points; or if you have served or are currently serving as a U.S. Navy FMF Sailor who has earned the FMF Device or FMF Ribbon, you have earned the right to be considered for membership into the Marine Corps League. Regular members of the Marine Corps League

**Associate Member** – An Associate Member is one who has not met the criteria for regular membership but supports the values of the Marine Corps League. Consideration as an Associate Member can be submitted via the Membership Application.

## Q: What is the Auxiliary and who is eligible to become an Auxiliary Member?

**A: Auxiliary Member** – Wives, Widows, Mothers, Grandmothers, Sisters, Daughters, Granddaughters, Stepmothers, Stepsisters, Daughters-in-Law, Aunts, Nieces, Mothers-in-Law, Sisters-in-Law of a (current or former) Marine or a US Navy FMF Corpsman or FMF Navy Chaplain eligible to belong to the Marine Corps League, Inc., and Women Marines. ## Q: I'm a new member of the Marine Corps League. What is expected of me?

**A:** As a new member, there are some expectations. We also want you to let us know if we can do anything for you. We are your Marine brothers and sisters. Let us know if you have any questions or if we can help you in any way. As far as what you can do with the League, we ask that you become active within the Detachment. These are suggestions and **not requirements**. There are several ways you can participate with the Detachment:

1. Wear a red barracks cover to meetings. These are available to purchase in the Ships's Store. Although, recommended but not required, the red barracks cover is a symbol of our unity
2. Recruit new members!
3. **Volunteer for fundraising events, such as the gun shows, Halloween parking lot event, golf outing, or selling snacks or ship's store items at various events. Sell tickets for fundraisers, coordinate an event or assist at an event. There are several ways to help at events. You can also help setup or take down at different events.**
4. **Volunteer to provide a side dish or the main course at a monthly meeting. The Detachment will reimburse up to \$60 for the main course. You must have a receipt to be reimbursed. If you are**

*not providing the main course, we ask that you bring in something to share as a side dish or chips, etc.*

5. Help with setup or cleanup after meetings or for events that the Detachment is hosting
6. When appropriate, consider volunteering for a position within the Detachment.
7. Attend the conferences hosted by the Department of Indiana Marine Corps League. These conferences provide valuable information to League members. They also provide an opportunity to network with others throughout the state and learn methods to make the Detachment a better unit. The national convention provides an opportunity to network throughout the country.

**Q: What are the Membership Fees?**

**A:** Yearly membership fees for the HIB Detachment are \$35.00 a year, payable by August 31<sup>st</sup> of each year. Renewals are \$30 per year.

As of July 1, 2023, the life membership fees are:

\$800 for members 36-50 years old  
\$600 for members 51-64 years old  
\$400 for members 65-84 years old  
\$100 for members 85 and older

**Most organizations, veteran related, private or public, are primarily served by a small group of volunteers. We would like to see the Marine Corps League be an exception to that rule. Let's show them that Marines help each other! Volunteer!**

**\*\*Remember –**

**The Marine Corps did not train us to sit on the sidelines!\*\***
