

PRA Pataskala Pool Pitch

**Newsletter
for
Aug. 19 – Sept.3**

Pool Members,

This is the last newsletter for the 2018 summer season. There are a couple changes to the schedule that should be noted – closure tomorrow, and a time difference because of school.

I believe this has been a great season. Swim lessons were busy all summer, and the swim team was very successful with many swimmers. Aside from a few colder days, we had several really hot days which always brings people to the pool and increases the number of memberships.

I hope that you were able to be at the pool often. If you're interested in a membership for next summer, we should have the forms posted by the first of March on www.pataskalarecreation.org and swim lesson registrations by mid-March. PRA is working on an online membership registration for next summer. I can't say for certain, but it should hopefully be available in time.

From PRA, the guards, concession workers, and myself, thank you for being a part of our summer. We hope to see you next summer.

Sincerely,

**Jeff Chapman
Pool Manager**
