

Classified Staff Positions

All classified staff positions will be established initially by the NWBOCES Board.

In each case, the Board will approve the broad purpose and function of the position and a statement of job requirements as recommended by the Administrative Director. The Board shall delegate to the Administrative Director or designee the task of writing a job description for the position.

The Administrative Director shall maintain a comprehensive, coordinated set of job descriptions which set forth clear-cut responsibilities for all positions of NWBOCES.

Although positions may remain temporarily unfilled, only the Board may abolish a position it has created.
