

Navy League of the United States

A civilian organization dedicated to the support of the U. S. Navy Marine Corps and Coast Guard

The Navy League was founded in 1902. Its mission is to enhance the morale of active-duty personnel and their families; to inform Congress and the American

public on the importance of strong sea services, to support youth programs that introduce young people to the values of our sea services, Naval Sea Cadets Corps and JROTC units. The United States is a maritime nation whose national economic and security interests are inextricably tied to the freedom of the seas.
