“THANKSGIVING DELIGHTS GOD”

‘Be Ye Thankful In All Things’

Psalms 100:1-5

The challenge: A conceptual way of living., an everyday lifestyle.

Thanksgiving releases faith.

Faith comes by hearing the Word and obeying the Word.

The Word of God says “Be thankful in all things.”

Practice giving thanks for everything, every day.

Thanksgiving leads to praise:

Thanksgiving and praise leads to proper and convincing thoughts.

Thanksgiving creates reality in both the spiritual and natural worlds.

Thanksgiving invites God into your life at that very moment.

“How thankful you are, in every area of your life, is how much you allow God to work in that area.”
w/k.

Thanksgiving changes REALITY! Thanksgiving changes you!

Thanksgiving allows God-

“Who started a good work in you to perform it to the very end.”

The Challenge: BE YE THANKFUL!

Thanksgiving makes you thankful. Thanksgiving delights God!
