2. You must have a Working Race Receiver on you during the races. If you do not have one YOU WILL BE DQ!
3. All racing vehicles must have mufflers that keep their kart at 95 DECIBELS or less at 50 feet from the racing surface. If the muffler gets knocked off, falls off, or becomes loud during a race, you will be black-flagged. Pull to the infield immediately. This means if your muffler comes off anytime from the start of the race to exiting the track at the end of the race, you will be DQ. If your kart becomes loud and you pull to the infield on your own, you will not be DQ, you will receive last place points.
