DESCRIPTION: Weighing a little over 17 ounces, this Colt Huntsman is small, short, and light. Not a lot of wood in this one, but I believe the riser is made of Bubinga. Green limbs. Original decals are in very good condition. No delamination; no cracks; limbs are straight. Overlay tips are good (one is a replacement). NO drilled holes. No stress lines or crazing. No chips, dings or cracks. A few minor scratches and scuffs.
