

BRICKHEADZ BRICK BUILDER AUTHORIZATION FORM

BrickHeadZ strives at all times to provide fun and safe brick building activities for all children participating in our programs. To fulfill this commitment, we ask that all children enrolled adhere to basic behavioral guidelines. Our brick techs set clear boundaries and expectations as to appropriate conduct and we will hold all builders to these expectations. We ask your cooperation should any parent be notified of discipline problems. It is our intention to provide children with, not deprive them of, exciting and fun building experiences. It is only when a builder (child) interrupts this positive learning environment that we would take any such action. If necessary, BrickHeadZ may ask that your child be removed from the program. In such a case, any refund would be at the sole discretion of BrickHeadZ.

BrickHeadZ also has the expectations of the parents whose children are enrolled. Only children with a sincere interest in our programs to explore creative expression, STEM principles, social interaction and teamwork of a large group of builders should be allowed to enroll. Parents are welcome to observe any class and to participate where appropriate.
