DISPENSER FEATURES

Cost Effective

Hand hygiene product costs are measured by cost-per-push, and determine savings by dividing the cost of the product by the number of hand washes. Symmetry Hand Hygiene offers one of the best cost-per-push in the industry.

User Driven Design

180° accessible lever dispenses product at any angle.

Large Sight Window

Large sight windows allow for visual product inspection to ensure product is always available.

User Designated Lock

Choose between hidden and keyed integrated lock options.

Optimal Durability

Symmetry dispensers are made of durable ABS plastic equipped with interlocking ribs and anti-vandalism posts.

"Repair-In-Place" Technology

Change out covers, sight windows, latch and levers without taking down the entire dispenser.

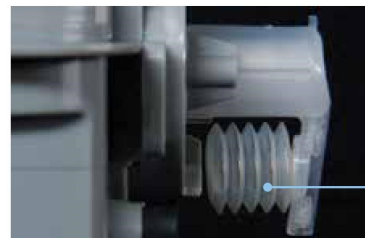

Flexible Packaging

Symmetry product bags are flexible and hermetically sealed to ensure no contamination. Receive great end-use cost with a 99% product evacuation rate. Every bag comes with a new pump.

Adaptability

Symmetry dispensers allow for both foam and liquid hand hygiene products - one dispenser meets all needs.

Patented "No-Drip" Bellows System

The Patented "No-Drip" foam bellows ensures a clean countertop after every push.

CHEMICALS

CARPET SPOTTERS

- **The Maxx** - Multi-Purpose Spotter is an advanced fiber safe formula that performs unbelievably on tough stains and odors. Use on carpets, upholstery, clothes, reappearing stains, walls, countertops and floors.
- **Goo-Dini** - a ready to use water based goo and adhesive remover. Safely removes petroleum based spots quickly and easily. Formulated to work on carpet, fabric and furniture
- **Ink Remover**— A ready to use water based spot remover. Removes the toughest marker and ink stains on carpet, furniture, upholstery and clothing.
- **Stain Blaster** - Stain Blaster is the premier synthetic red dye remover for use on fabrics, carpeting, or clothing. Stain Blaster can be used for treating carpet and fabric for the presence of cranberry juice, kool-aid, fruit punch, cough syrup, many wines, chocolate and soft drink stains. One-part product requires no mixing . Fast-acting red food dye remover. Available in quarts or gallons.
- **De-Zov-All** - A biodegradable citrus solvent for use on all types of surfaces to instantly remove ink, tar asphalt, gum, wax, grease, soap scum, adhesive residue, mascara, scuff marks, and much more. De-Zov-All can be added to any prespray or cleaning solution to boost performance without changing the pH. Available in quarts or gallons
- **Rust Out** -An excellent acid cleaner designed to remove rust stains from carpet, fabric, and hard surfaces. Our mild, non-fuming, multi-acid blend is phosphoric acid based which is much less toxic and safer to use than hydrochloric or hydrofluoric acid based products. Safely removes tough rust stains. Less toxic than HCL & HF acids.
- **Encapsulating All Purpose Spotter** - An ideal, all-purpose spotter that breaks down a wide range of soils and dirt. Ready-To-Use. Ready To Use CRI APPROVED. Certified EcoLogo.
- **Pet-Stain Off** - a special blend of bacteria and enzymes that, under proper conditions, will eliminate organic matter and the odors caused by animal waste. This product's bacterial action will digest materials which are causing odors such as urine, fecal matter, vomit, and other pet related odors Pet Stainoff works extremely well with hand, bonnet, and extraction cleaning methods. Grease, cellulose, complex proteins, carbohydrates, urine, and fecal matter, at a much faster rate than the conventional type of products. Highly concentrated. Stocked in gallons only

CHEMICALS

CARPET CLEANERS

- **CitraZov Powder** - CitraZov Powder is a super-strength high pH powder pre-spray that dissolves quickly and completely and will melt away the toughest carpet soils while imparting a nice citrus scent behind. This will be your go to product for filthy restaurants, apartments, commercial and industrial properties. Also works great on olefin carpets as well as nylon. Available in 7.5lbs.
- **Erase** - This industrial strength degreaser is a water soluble, prespray, which incorporates, advanced concepts in chemical soil removal. Available in gallons
- **Grime Release Pro** - A premium concentrated prespray and traffic lane cleaner. Powerful emulsifiers lift and suspend grease, oil and soil, rinsing completely leaving no resoiling. Effective on all fibers including olefins and safe for stain resistant residential carpet. Up to 32-1 dilution delivers cost effective, high quality carpet cleaning. Available in gallons
- **Premium Olefin Prespray** - A Traffic lane cleaner designed specially to clean olefin (polypropylene) carpets. Its formulation of surfactant and builders removes oily and particulate soils, which are strongly attracted to olefin carpet fibers. Cleans deep soil, removes or reduces yellowing and discoloration caused by oil and soil attraction to olefin fiber.
- **Heavy Duty Powder** - This organic, carpet detergent was designed to be equally effective in hot or warm water. This pleasantly scented powder has been formulated for use in standard, water extraction, carpet-cleaning equipment. It breaks down tough dirt and grime and is recommended for use in truck-mounted equipment. *Available in 40lb Containers*
- **Nilodor Extraction Cleaner** - Deodorizing Carpet Extractor contains Super N Concentrate for fast acting, total odor elimination. Solvent/surfactant formulation which contains optical brighteners. Contains defoamers and fiber conditioners and is effective on all types of soil. For portable extraction units. Includes A de-foamer and odor counteractant (Original Nilium)
- **Nilodor Encapsulating Extraction** - Encapsulating Extraction Cleaner is compatible with high heat equipment. Because it leaves no sticky residue, it will eliminate rapid re-soiling. A concentrated cleaner that can be used with any type of carpet extraction equipment. This encapsulation formula provides one pass cleaning and eliminates the need for rinsing. Dilute 2 oz. to 1 gallon stocked in gallon & 5 gallon

CHEMICALS

CARPET CLEANERS

- **Nilodor Non-Detergent Extraction Cleaner** - a DETERGENT FREE cleaner that does not leave behind soapy, sticky, soil attracting residue. NDC formula utilizes the synergistic power of several cleaning agents to dissolve and prevent the re disposition of soils. Ground in spills and stains are broken down into small particles that are repelled by carpet and upholstery which allows them to be easily rinsed away. NDC can be used with all low moisture equipment, extractors, and bonnet systems. Benefits of using NDC Non Detergent Cleaner: •Colors look brighter •Carpet feels softer •Carpets stay cleaner longer •No skin irritating residue
- **Upholstry Cleaner** - This modern, controlled suds, formula is designed to act quickly to break down stubborn dirt, grease and oil. It also provides a thorough cleaning combination while leaving a pleasant scent r. This biodegradable liquid contains optical brighteners, fast acting cleaning agents, and organic solvents, which are effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes. Stocked in 1 gallons
- **Carpet / Upholstery Shampoo** breaks down and removes heavy soils, stubborn stains and any malodor. Contains Super N Concentrate for total odor elimination. Safe to use on all water-safe carpet and upholstery, including those with stain resistant warranties. Provides excellent cleaning power plus deodorization for hand or electric scrubbers. May also be used without shampooing equipment. pH of use dilution is 7.0-8.0. Stocked in 1 gallon containers
- **Free Rinse Pro** - One of the most important steps in carpet cleaning is rinsing away detergent and alkali residues after the cleaning process is complete. To guard against alkali browning and to leave carpets feeling soft to the touch as well as adding a luxurious sheen, carpets should be rinsed with a solution of Free Rinse Pro . Available in gallons
- **Dri-Way Compound** - Between regular extraction or shampoo cleaning, the Dri-Way™ system is the best way to keep carpet looking clean and fresh. Carpeting subjected to heavy traffic can be kept looking good year round without using methods requiring extensive drying time. In fact, traffic can be maintained in the area being cleaned without interfering with the cleaning of Dri-Way TM Compound. **Currently Special Order **

CHEMICALS

SPECIAL CARPET ITEMS

- **Citra-Zyme** - This product is a powerful liquid emulsifier and detergent booster that can improve any cleaning solution. Add to any extraction cleaner or pre-spray for extra cleaning power for extremely soiled areas especially where grease, soot or food oils are a problem. Available in gallons
- **D-Brown Pro** - This product removes or reduces browning caused by coffee, tea, and over-wetting and bleed through of jute backing. Effective for carpet, also can be used safely on upholstery. Available in gallons
- **Stain Blocker Protectant** - This product is an economical and highly durable carpet overspray protector and provides a high level of resistance from wet, oily and dry soils. It exhibits an excellent resistance to detergents and can maintain its properties through several extraction cleanings. Stainblocker Spray contains DuPont Capstone, creating an anti-soiling, anti-staining and protective barrier for use on fabrics, upholstery, and carpet.
- **Yellow Out Urine Stain** - This product eliminates the problem of pet stains and the associated odors utilizing peroxide technology, which will break down the urine structure therefore eliminating the stain and odor associated with it all together.
- **Foam-Away**-This product is a liquid silicone emulsion formula for use in the recovery tanks of water extraction cleaning equipment and other equipment utilizing recovery tanks. This product may be used as a general purpose defoamer while cleaning rugs and carpets. Extend the life of your equipment. Available in gallons
- **Flush Out** - Flush Out is a mildly acidic pretreatment designed to dissolve and liquefy urine salts and heavy urine deposits for easier removal by bacterial digestion. Concentrated. Stock in gallons
- **Pro-Smoke Smoke Eliminator** - works by micro-encapsulation and is not an odor mask or covering agent. Simply speaking, this product "coats" or "encapsulates" foul-smelling matter, seals the contamination and keeps the odor molecules from entering our airspace. It effectively neutralizes odors in carpets, fabrics
- **Air & Fabric Freshener** - A professional strength odor eliminator formulated to quickly and effectively remove trapped odors from all types of fabric, carpet, upholstery and more. Like all the other Odor Assassin formulas – it WORKS! Unlike that popular brand shown on television – the odors don't come back. Non-staining, non-flammable, and non-irritating to skin.

CHEMICALS

BATHROOM CLEANER

- a) **Dy-Phase Bowl Cleaner** - A fast Acting, viscous, color-indicating bowl urinal formulated for maximum cleaning and deodorizing action. Dy-Phase clings to vertical surfaces and removes stains, incrustations, and hard water bowl cleaner. Upon application the yellow color insures that the area is covered and will turn completely blue when area is clean. Qt Only
- b) **Sparkle** is the only choice when it comes to a mild, fast-acting, concentrated acid cleaner for use on ceramic tile, porcelain, chrome, and stainless steel. Concentrated Quart and Gallon
- c) **Grout HD**— Grout HD penetrates and quickly removes ground in grime from tile, grout lines, and natural stone, leaving behind a bright and revitalized surface. Grout HD utilizes cutting edge technology to provide a product free of harsh chemicals like strong acids and caustic soda, allowing it to be safe on skin and the environment. Effective on Dirt, Grease, Wax, Mildew, and Soap Scum on TERRAZZO, GRANITE, CERAMIC, TRAVERTINE
- d) **Gel Scrub** Gel Scrub Foaming Acid Tub and Tile Cleaner removes soap scum buildup and hard water deposits. Use Gel Scrub on tubs, sinks, floors, walls, shower stalls, toilet bowls, urinals and any other hard, nonporous surfaces on which acid can be safely used. Gel Scrub is also an excellent grout cleaner. Use Gel Scrub at full strength or diluted at 1:10.
- e) **Mold & Mildew Cleaner** - Mold & mildew stain Remover quickly removes mold and mildew stains on grout. With regular use it will create an acidic environment which is not favorable for the growth of common mold species. Mold & mildew stain Remover Harnesses the cleaning power of an inhibited hydrochloric acid coupled with a surfactant to effectively lift mold stains and prevent their reoccurrence. It is safe to use on porcelain, ceramic Tile, and fiberglass.
- f) **Big Blue Bowl Cleaner** - Each flush releases special cleaning agents that keep your toilet fresh and clean. Blues the water with each flush and lasts up to 600 flushes
- g) **Urinal Mats, Fabric** - Anti-Microbial Treated to reduce odors. Seep Guard Tack Back eliminates urine seepage to the floor while keeping mat in place. Easy to read 30 day Timestrip® indicates when it is time to replace the mat. 100% eco friendly post-consumer recycled PET fabric with diamond pattern Improve bathroom appearance by protecting the floor & grout from uric acid damage.
- h) **Maxi-Rough Urinal Floor Mats** - Disposable mats make restroom maintenance easier and faster. Green apple fragrance helps combat odors. Protects floor from stains and uric acid damage. Lasts 4-6 weeks, depending on usage. Prevents user from stepping on the moist rug.

B

C. FLOOR CLEANER AND RESTORERS

- **Straight Up** - A true neutral cleaner. When added to water, Straight up automatically adjusts the solution to neutral, regardless of the water source's pH. Recommended for waxed floors. Available in gallons or 5 gallons
- **RPM** - Realistic Professional Maintenance Finish Enhancer. Concentrated Bonds to floor finish to form a long-lasting durable gloss without being labor intensive. Available in Quarts or Gallon Bottles.
- **Harvard Spray Buff** - A ready to use designed to work with low or high speed buffing procedures. (older floor care programs)

C

RESTROOM ODOR ISSUES?

One product will not eliminate your restroom odors... but our program will

DEODORIZATION SURFACE CLEANING

Add Nilium to your favorite solution at 1 oz. per gallon dilution ratio.

Cleaning and deodorizing time can be greatly reduced by adding our water soluble deodorizers to cleaners or plain mop water. This allows the user to clean and deodorize the total surface area in one easy step.

Nilium - Water Soluble Concentrate

Multi-use deodorizer
Contains odor neutralizer
Works up to 24 hours
Ideal to use on any water-safe surface

Available in quarts and gallons - Cucumber Melon, Soft Linen, Red Clover Tea and Tango Mango

SOURCE REMOVAL

After mopping - simply spray the Urine Digester around all urinals and commodes. This product can also be sprayed onto the floor drains if necessary.

Bio-Enzymatic Urine Digester

- Five strain bacteria formulation
- Eliminates the urine from the floor subsurface
- Use on all hard surfaces
- ELIMINATES ODORS AT THE SOURCE!

Available in quarts and gallons - Cucumber Melon, Soft Linen, Red Clover Tea and Tango Mango

AIR CARE

Aerosols are used to counteract airborne odors and keep your restroom smelling fresh between cleanings. Fragrances should match your water-soluble deodorizer and urine digester.

Available in 7 oz. Metered Refills - Cucumber Melon, Soft Linen, Red Clover Tea and Tango Mango

FIXTURE CARE

Replace ULTRAair™ Urinal Screens & Clips every 30 days.

Screens and Clips are available in - Cucumber Melon, Red Clover Tea, Soft Linen and Tango Mango
