Bridges Bros. Trucking
Columbus, Ohio
614-253-7332

Bridges Bros. Trucking, LLC is a full-service trucking company providing quality trucking services to some of Ohio's largest construction contractors. Our primary services include dump truck hauling of top soil, lime, gravel, sand, stone, asphalt and miscellaneous aggregates, as well as managing spoils. Our success has been built on timely service, quality equipment, experienced drivers, and our knowledgeable staff. We provide dump truck hauling services in the Columbus area and surrounding counties for some of Ohio's largest contractors. Bridges Bros. Trucking employs more than 20 staff employees and brokers to more than 50 independent operators in Central Ohio.

Differentiators

- Bridges Bros. has become a preferred provider of services for some of Ohio's largest construction contractors.
- We are proud of our reputation throughout the state as a reliable resource, and we have earned that reputation by setting high quality standards for our staff, our drivers, and our subcontractors.
- Our knowledgeable staff and experienced drivers have been thoroughly screened and tested for compliance with our drug-free workplace policies. They also complete annual ODOT safety certification.
- Bridges Bros. can service any hauling job regardless of size, and we can also manage all of the spoils through our select network of approved dump sites.
- Our success is demonstrated by the level of trust major contractors have placed in us while working on a wide range of high-profile projects.
- Bridges Bros. owns 20 dump trucks, 16 of which are steel bed units. We are always available to haul a variety of materials without seasonal limitations.
