GATE UPDATE:

There is yet another delay in the roll out of the gate access system. We will let you know when the new plan arrives.

From the President's Desk:

The Family Picnic will be held on our grounds Sunday, August 28th about noon. The club provides fried chicken, rolls, drinks, and ice cream. Members may bring a side or dessert. This is a nice laid back affair with fellowship and games. This year marks our 100th anniversary so be sure to mark it on your calendars now and plan on attending.

I did get a few people who had suggestions for improving attendance at work details in the last month. These included mandatory work hours either for new or existing members (which I find distasteful) reduced dues for those who do show up, raffles for those who attend (we've done it before and we're going to try that again) and better communication. So expect the work details to be more prominently placed in the newsletters, and several emails reminding you of them.

Your 2023 dues will be the same as last year's and you can expect dues notices early this fall. We will be using the same system as last year. Each of you will have a contact person to mail your renewal form and payment to. Do not mail them to the chapter address and do not bring them to the meetings (it only delays and complicates things). Everyone who followed the directions we mailed with the dues notice received their card very quickly. We got a lot of positive feedback about that. Some people were not impressed with the late fee. The simple solution is to not mail your dues in late. It will be especially important to mail your dues in a timely manner this year. On December 31st your membership will expire if we haven't received your payment and you will not have access to the grounds, in addition to having to pay a \$25 late fee. The electronic gate will be active and without a valid code or active card will be denied. Initial activation is delayed, hence the side bar note.

BUILDING & GROUNDS

We will be having a **work detail at 9:00 am on Saturday, August 27th** to prepare for the family picnic. Please email me to confirm you will be attending at president@yorkiwa.org. Knowing how many are showing up helps to get things organized and have materials on hand for various projects that day. Most work details are only 2 hours long, so you'll be home by lunch easily. We will have a random drawing for some gift cards that day for those attending.

We will also be having a **work detail Saturday, September 24th at 9:00 am**. Get it marked on your calendar now.

TROUT COMMITTEE

The Trout Committee 2021-2022 season ended in June. Thank you to all our volunteers who gave their time and attention to raise the 10,000 trout provided by the state. For seven (chilly) months, October through May, they feed the trout and help maintain the nursery. We couldn't do it without our volunteers!

Our main event—The Kid's Fishing Derby—was successful after two years of being cancelled due to Covid. The kids were excited to see if their fishing skills would win a trophy and prize by catching the largest of each type of trout.

The success of the Derby was due to all the IWLA Members helping kids and the sponsors for donating prizes and food for the event. The Committee thanks these sponsors:

Blue Mountain Outfitters
K & M Home Centers
Perrydell Dairy
Brown's Orchards
Maple Donuts

Shank's Mare
Godfrey Bros. Meats Inc.
Wrightsville Social Club.
John H. Myers

Martin's Snacks
Yellow Breeches Anglers &
Conservation Assoc.
Martz's Gap View Hunting Preserve

Did you know that all ages are welcome to participate in trout activities? It's education, fun and camaraderie all rolled together. For more information, contact Bob Nelson at treasurer@yorkiwla.org

You can support our trout activities by purchasing a limited edition-vintage 2020 Trout T-Shirts! available for \$6 each. For more information about any trout activities or to purchase a t-shirt, contact Bob Nelson at treasurer@yorkiwla.org

JUNIORS

Hi Juniors!

Now that the weather is nice we are doing outside activities during our meetings.

Remember to come dressed to get dirty and wear good walking shoes. If you are over 16 you will also need a fishing license. Mark your calendars for our annual trip to Limestone Springs. We are planning for Sunday, September 25, 2022. Also, that day should be the Middle creek national hunting and fishing day. It is close to Limestone and has hunting and fishing themed booths and vendors. All Juniors please send me an email letting me know if you plan to attend.
