Downingtown Balvihar

COVID Relief Fundraiser

The Youth Group of the Downingtown Balvihar, the organization I am a part of, is having a fundraiser for COVID relief in India.

We have partnered with "Sewa International" on this effort.

Please support this campaign to help with COVID relief in India.

We will be donating 100% of the funds collected to Sewa International who is providing much needed medical supplies in India.

Please click on this link for more information and to donate through GoFundMe page. https://www.downingtownbalvihar.org/covid-india

Thank you,
Shreyas Sao
