

## 2021 PRSC Covid Guidelines

Executive Order No. 241 (2021) amended outdoor masking requirements. Individuals are no longer required to wear masks in these outdoor settings, though unvaccinated individuals are **strongly encouraged** to do so.

1. Face coverings are required in indoor settings.
2. Face coverings should NOT be worn in the water (increases the risk of drowning).
3. Hands should be washed frequently with soap and water.
4. Hand sanitizer that is at least 60% alcohol should be used if soap and water are not available.
5. Individuals should not touch their faces (especially eyes, nose, or mouth) with unwashed hands.
6. Individuals must stay home if they are sick.
7. Practice social distancing and avoid large gatherings.
8. Routine cleaning and disinfecting will be performed in a manner that promotes the safety of public and staff.
9. Staff and patrons who are sick or have recently had a close contact with a person with COVID-19 should stay home.
10. Separate entry and exit points to encourage everyone to move in one direction and avoid crowds.
11. We encourage you to bring your own play equipment (basketballs, soccer balls, volleyballs).
12. Restroom exhaust fans are functional and operating at full capacity when the building is occupied. These are on a timer during our operating hours.
