MESSAGE FROM OUR PHRWF PRESIDENT

Most of you know that I am in the race of the decade. It has been exciting, tiring, exhilarating, and frustrating. I have had ups and downs and have learned more from people than I thought possible. However, there is one thing that I did learn that was more than disappointing.

ARE YOU A ONE ISSUE VOTER?

This phenomenon seems completely unsupported by logic. How can one decide the person who best represents them, on one issue alone? Do these voters realize just how complex our society is?

A democrat will say: I will never vote Republican!

An NRA member will say: If she does not support the 2nd amendment, she is out!

An Anti-VAC mother will say: No vaccines. If she does not support us, she will not get my vote!!

I could continue this list, but you get the gist. Let's be informed voters. Let's be serious voters. A dirty Republican is not better than an honest Democrat. One who hates gun violence may be the one who supports your right to bear arms. And one who does not support the anti-vac movement may simply unaware of the facts. Readers, please push yourselves out of your comfort zone, and look at all issues. If needed, make a list. See who has the most qualities you deem necessary to govern this state.

Do the numbers. Err on the side of logic? And that is my message.

As Always, the best to you all,

Rita

Membership Corner

A hearty thank you to all our members and associate members who have renewed their dues for this year. We currently have 32 Members and 8 Associates. We are now recruiting new members for 2019 and would like to extend an invitation to all those interested in joining PHRWF.

There have been many changes since PHRWF was founded. Its core foundation has remained solid, however, in that, the club is here to serve its members and provide them with up to date information on the issues affecting our lives. We're looking forward to another year full of interesting guest speakers at our meetings.

We strive to provide our members not only with information and education on topics and candidates, but to ensure that

Sincerely yours,
Lynn Martin

the social element meets the expectations of all our members. We always welcome member input.

Please help us to increase our membership. Ask your friends, family, and neighbors to consider joining our club. If you have any questions, please contact me at lynnLML15@gmail.com.

Are you on our email list but have not signed up? It takes a lot of effort and we hope you will support us financially by joining. Members and associates, if you haven't renewed your membership, please send your dues ASAP!

We look forward to welcoming new members and associate members into our club.

Our kick off meeting after summer break will be Sept. 20.

MAKE YOUR VOICE BE HEARD: VOTE

**Nobody will ever deprive the
American people of the right to vote
except the American people
themselves, and the only way they
could do this is by not voting.**

2020 REPUBLICAN NATIONAL CONVENTION

Charlotte, N.C., will be the site of the 2020 Republican National Convention. Thanks in large part to President Donald Trump, the Republican National Committee has raised a record \$200 million so far this election cycle (this is the highest in history for any political party), and, unlike the Democrat National Committee, the RNC has ZERO debt. The Democrat National Committee has more than \$6 million in debt.

Republican Women Ready to Rally Behind Judge Kavanaugh in Confirmation Battle

ALEXANDRIA, Va. - Jody Rushton, president of the National Federation of Republican Women (NFRW), issued the following statement in support of President Donald J. Trump's nominee for the U.S. Supreme Court.

"Tonight, Republican women across the nation are roundly cheering President Trump for selecting another eminently-qualified and distinguished jurist to fill the impending vacancy on the U.S. Supreme Court. The NFRW

wholeheartedly supports Judge Brett Kavanaugh, and we are confident he will protect and preserve our constitutional liberties. We stand ready to put the full force of our grassroots network behind Judge Kavanaugh, and we urge the U.S. Senate to move swiftly to confirm him ahead of the court's next term in October."
