

Thanks from the animal shelter

We would like to thank The Randolph Leader so much for Penny Pool's article that was published on December 28, 2016. Because of your article, we got so many nice calls and generous donations such as monetary donations, bedding, food and cleaning supplies.

We appreciate the people of Randolph County for

stepping up and always being there for your shelter needs. If it were not for our many supporters we would never be as successful as we are today. We sincerely thank The Randolph Leader and Penny Pool.
