### USS Gravely Heading Home for Christmas

The Gravely is heading home. We are not sure when they will arrive in Norfolk, but it would be great if we could have a Richmond Council delegation to greet them home.

From CO Piorun

Family and friends,  
Well we are finally headed north and are extremely excited to see all our family and friends soon!

Thank you for your constant support over the past four months and your understanding regarding the pause on social media.

Here's a photo dump from my personal pics taken over the last couple months. I anticipate being pretty busy over the next couple weeks so I will get posts made as often as I can. I'm really proud of this team and what we were able to accomplish this year. Not sure what the engineers are putting in the water but I like it... this is a special ship with a fantastic group of Sailors that kept us 100% operationally available for tasking this deployment. That's all any CO can ask for! Keep up the great work TEAM GRAVELY! You are truly First to Conquer - and we couldn't do it without the support of our family and friends. Thank you!
