BRUSH PILE CLOSED FOR THE MONTH OF APRIL

In April, Kansas implements a burn ban to reduce air pollution during the time when agricultural burning is only allowed to take place. Our KDHE permit for the brush burn site has certain restrictions that we must follow, to operate. A few of these restrictions are, we cannot operate when there is a burn ban in place, if wind speeds are forecasted under 5 MPH or over 15 MPH, burning during the nighttime, and/or inclement/foggy conditions. Since we store hot ash on site until it can be safely disposed of, we cannot collect brush and yard waste that could accidentally initiate burning during any of the above restrictions. This along with other unauthorized uses, is why the city in 2024 has switch the site to a gated facility to better control the site during time periods when burning is not allowed. Rules are posted on site for the brush burn site along with normal hours of operation excluding holidays.

CITY HALL HOURS

Mon., Tues., Thurs., & Fri.

8:00 am to 12:30 pm

1:00 to 4:30 pm

WEDNESDAY
