Brass Rules and Guidelines

1. Grade levels and music **must** be those determined by Toronto Conservatory (or equivalent). Pieces that are entered at the incorrect grade level, or are not from these syllabi may be performed at the Festival, but will be considered non-competitive and deemed **ineligible** for awards or scholarships.
2. The individual submitting the entry is responsible for entering the participant into the correct class(es). **Pieces must be played as entered, with no changes accepted after the registration is submitted.** (Please Note) Incorrect entries will be deemed as non-competitive and will NOT qualify for awards or scholarships. (For example, all movements of Sonatas must be entered in the Sonata/Concerto class.)
3. Participants have a brief time before their performance to tune to the piano that they will be performing with to make adjustments, as required.

4. Only original scores, or copies authorized by copyright owners may be used at the Festival. Copied scores are not accepted at the Festival, or Provincials.
5. Participants may choose to perform in the non-competitive division, but will not be eligible for awards and/or scholarships. This is determined at registration and cannot be changed prior to/or at the festival.
6. Performers **cannot** use recorded accompaniment.
7. Participants may select to perform in one, or more classes. However, to be eligible for awards and scholarships, participants **must** enter in a **minimum** of **two** different classes in Brass. For example, a Brass performer can enter in the Canadian Music Class, and the Impressionist Class, etc.
8. Performers may not perform any selection he/she has previously won at the Kelowna Kiwanis Festival, or at the Provincial Festival.

Please see **General Information**, and **Rules & Guidelines** documents for other important information about the Festival.
