CONDITIONS OF ACCEPTANCE OF DOGS							
All dogs must have been vaccinated against distemper, hepatitis, leptospirosis & parvovirus. A certificate of inoculation must be produced when							
dropping off pets for boarding. We do not insist on the Kennel Cough interact between April & September but please contact vet for advice. The							
kennel manager will try to contact the owner/emergency contact in the event of a medical issue. If a visit to the vet is required the kennel manager will take the pet to either Pike Moor or Companion Care, if the pet's own vet is not in easy travelling distance. A charge of £10 ech way is payable for travel							
expenses. Copperbeech will pay for treatment whilst the pet is boarding & the owner agrees to reimburse the kennels on collection of the pet. In the							
event of the pet being unable to be saved, the kennel manager will only give consent for euthanasia where it is imperative for the pet's welfare & after							
attempting to contact the owner. If there is evidence of fleas, ticks, lice etc , the kennel manager has the authority to treat the condition after discussion with a vet. Boarding is agreed to on the understanding that if the pet is not collected withing 14 days of the agreed departure date (and any subsequent							
boarding fee arrears paid), Copperbeech Kennels will become the automatic owners of the pet and have the authority to sell or otherwise re-home them.							
Where previously agreed, pets from the same household may share a kennel however if a problem arises, Copperbeech has the right to separate							
animals sharing boarding for the safety of staff or pets. It is understood that Copperbeech may post pictures of pets on social media. Data is held on a contractural basis only; our full privacy policy is available on request. Toys and bedding are provided by Copperbeech at the owners risk							
I agree to the above conditions.							
For office use only: Vaccination cert seen:		Expiry Date:]			
DETAILS FOR PAYING BY BANK TRANSFER: SORT CODE 401225 A/C NO: 42403021
