

Currently enrolled students begin registration for Fall Classes on August 3, 2015 @ 10:00 AM!

Parents can register over the phone (330-652-4386) or in person. Remember that all classes are empty at the beginning of registration. Even if you want your child to stay in the same day and time you must inform the office of your choice. Currently enrolled students have a one week priority registration window. Available class space is limited and likely to fill early. Currently enrolled students are not required to pay for fall classes at the time they register, payment may be made using any of the four payment methods during the last week of August.

Fall classes begin on August 31, 2015. Remember that our payment methods are changing in September—currently enrolled families will need to complete a new registration form during the month of August. See the office staff for details, or check our website: www.MyTeamOGI.com.

Remember: OGI Classes will be closed from 8/24 to 8/30 for our back to school transition week. We will also be closed for classes on 9/7 for Labor Day.
