Dear Parents,

We have a lot of fun and excitement planned for the month of March. We start off celebrating Dr. Seuss we will read his books and celebrate spirit week. We continue to learn our colors, shapes and counting higher and higher. It is wonderful to hear the children using words, growing more confident and getting excited for stories and songs. The second half of the month we will learn some new Nursery Rhymes. I know the children will love learning them. In our class we are seeing more cooperation from the children and they are socializing and interacting with each other more and more. We are always working on manners, sharing, gentle touches and kindness with our friends. Thank you for sharing your sweet children with me.

Remember to sign up for snack 1 time per month.
