

THE R.O.L.L.

Summer's Here

[The Report of Leisure Lake]

JUNE 2020

THE PRESIDENT'S POINT

Hard to believe, 2020 is near the midpoint of the year! Our Board has been busy. The clubhouse sparkles, roof repair is underway, family activities expanded, several measures have safety and the pool is welcoming. The Pandemic reminds us of the importance of family, friends and community. There are a number of owners who have been more than great neighbors and have chosen to work on committees or serve on the Board. Everyone should "take their turn" to ensure that our lifestyle is maintained or improved in Leisure Lake. No special skill set is required, just offer to help where needed. Together we'll make 2020 remembered as a GREAT YEAR!

becomes safe to gather again (possibly Sept.) If you'd enjoy planning the fun and helping out, call the HelpLine and let us know. Ideas are welcome!

OUR BEAUTIFUL LAKE

Board President, Garry, along with our Lake Committee continues to be involved and are monitoring the lake dredging and restoration at Fulton Place, in an effort to protect our lake from silt runoff. The City of Foley is overseeing the work, but has halted it several times. This project will stay on our front burner until it is completed.

Meanwhile, fishing is outstanding!! Johnny Johns caught this bass on a Zoom 8" Tequila worm. His best guess is 22" long and weight 5#. Whatta Catch! Whatta Dinner!

NEED HELP?

As we peek at beginning to leave Covid-19 behind, if you find yourself in need or can offer assistance - helping with yard work, children, pets, errands, picking up grocery or prescriptions, post it on www.nextdoor.com, our free social neighborhood site. For help with it, call volunteer editor, Paula Page, on the Help Line.

EXTRA, EXTRA...GET YOUR COVENANTS HERE

The "**USER-FRIENDLY VERSION**" of the covenants, including all amendments voted in over the years,

is hot off the press for your convenience in reading and understanding them. To get a copy - download from website or pickup at the clubhouse. If you want it sent, just call the Helpline.

POT LUCK

For everyone's safety, the potlucks remain on hold. However, there are whispers of a special event as it

STREET PAVING

After many years of requests by your Board, Foley Public Works finally budgeted to re-pave Lake South Drive. The project is out for bid, and work should commence mid-July. Email will be sent prior to work starting to make alternate parking arrangements, as the street will be closed. Tranquil, Placid and Respite did not make the cut because their surface conditions are better, however they remain on the city's list for the future.

SPENDING YOUR MONEY

Our budget looks great! Expenses were down, thanks to volunteers who donated time this spring. If you've got the time...there's a project for you!

CONDOLENCES

Rich Buss, who served many years on the Board, and as the Pool Manager, recently passed away. We extend sympathy to his wife, Ann. Both were active in the neighborhood. Ann still leads the BUNKO group.

BOARD NEWS

Jon Hunt, who has lived here over 10 years stepped up to fill an open position on the Board. Like father, like son – his dad was a former board member! Jon will also be the Board's liaison with ARC (Architectural Review Committee), which takes care of Property Modification Requests.

CLUBHOUSE

The clubhouse is open and ready for private party reservations. Call Priscilla at 251-609-0111 for availability. Follow the social distancing and group guidelines, get your friends together and have a party!

POOL OPEN

Social distancing is being practiced, and everyone is having a good time at the pool. The water is perfect for floating around. The pool is open till 8pm for an evening swim. Bring your rubber duckie! If you have not picked up your pool keycard or have a question, call the Help Line for Chuck Gentry, who graciously serves as Pool Manager.

WATER EXERCISE

Water exercise for women continues a.m., led by Tom Murphy. Exercise equipment furnished. Come shake a tail feather, and bring a friend along.

men and MWF @ 9 and Kathy

FLAG DAY THIS MONTH

Flag Day commemorates the adoption of the Stars and Stripes as the official **flag** of the United States. Let's celebrate this historical event in Leisure Lake by displaying an American flag, or red/white/blue decorations on houses and yards. Yay America!

“DID YOU KNOW”

June is the LGBTQ Pride month, begins summer and has the longest daylight hours. Birthstone is pearl. June 1919 was the signing of the Treaty of Versailles, formally ending World War I.

YARD OF THE MONTH

Share our appreciation of Tom and Clo Zarro at 22886

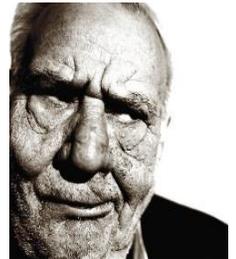

Respite for a beautiful and inviting yard with spectacular flowers. The back-yard lily

pond, rocks, water feature, statues and succulents are a hidden treasure! Stop by, and they just might let you take a peek.

GET UP AND GET OUT!

DON'T allow yourself to AGE IN PLACE. Get out of that recliner - the first step is the hardest, just walk out the door. You truly will improve your state of mind and attitude. Fresh air is a blessing, and it's free. DON'T waste the day sitting inside - There's so much to

do 'round the hood. Bring your family to our RECREATION AREA, the 1-1/4 acre mowed lot between Wolf Bay and Lakesouth - toss a ball, frisbee, exercise dogs, set

up your badminton, croquet or other yard games (use access off Wolf Bay Dr.) You could also fish in our lake, no license is needed. Try HORSE SHOES on the south lawn or CORN HOLE beanbag toss on the porch. Find equipment in the library. Share a snack in the shade at the PICNIC TABLE. Stroll to the gazebo, sit a spell & watch for turtles. For more activity, Pickleball is still played various days.

JUNE DATES TO REMEMBER

7th – Ntl. Donut Day

14th – Flag Day

20th – First Day of Summer

21st – Father's Day
