WHAT YOU ARE SIGNING UP FOR

WHAT KRIS WILL DO

Kris will present my "20 minute stress release" program in a public format, in a safe and comfortable environment, in his office building, in about 1 hour or so.

Included in the cost of the program is 1 copyrighted recording in a secure format, for your own personal use, not to be copied, shared or sold by you, for you to practice and train with, to be e-mailed to you within 48 hours of your attendance, or sooner, unless there are technical difficulties on my side or yours and if that is the case we will both do as best as we can to fix the situation.

Before the presentation I will give you a copy of the National Guild of Hypnotists terms under which I operate.

Sign your name on the line below to signify that you have read this section and agree to the terms as written.

WHAT YOU WILL DO

WHEN YOU SHOW UP

Remember, Hypnosis is a wonderfully calm and relaxing experience! Also remember you may fall asleep during the session if you are too tired when you come in.

Please come in rested and sharp!

So go to sleep early the night before (and sleep as best as you can).

And do not drink or party the night before either.

Should you be a consumer of illicit drugs stop here.

Illicit drug users do not come in for this program as Kris's success with you will be hindered or non-existent.

Kris only wants success from his subjects.

In the event you have a particularly unsettling experience that has you rattled right before you come (like your washing machine blowing up, a death in the family, a car wreck, etc.), please reschedule, as when people are pre-occupied or emotionally off-kilter with something else they cannot be 100% focused with my presentation, so reschedule for a time when you are calmed down.

Kris needs you to pay close attention and listen carefully when he presents the program so he needs you to be as comfortable and relaxed as possible.

Here are some subjects that need to be presented that may not be self-evident to all--

Shower or bathe and show up clean!

Men should shave and women should do their hair and make-up!

Come in wearing clean clothes, look snappy!

(You could even dress up!)

Do not wear heavy cologne or perfume as many people are sensitive or allergic to fragrances.

Lets all of us make all of us comfortable so we are pleasant to other people.

Sign your name on the line below to signify that you have read this section and agree to the terms as written.

ALSO

You will not fall asleep during the presentation.

You will not come in drunk or high or under the influence of anything in anyway, shape or form.

You recognize this program is not guaranteed as human behavior cannot be guaranteed.

You recognize that if it is to be it is up to you.

You recognize life is a do it yourself proposition.

You will practice, practice, practice.

WHAT YOU WILL DO

WHEN YOU SHOW UP

Kris will start the program SHARP on the hour and he needs you here 15 minutes early for check-in, so please be prompt, as he does not have a way to back-up and restart for people who are late. If you get stuck in traffic, get lost, have a flat, etc., Kris will reschedule you to make up for an unavoidable no-show later.

Before we start Kris will check you in at the rostrum or the front of the room where the presentation will be and collect your payment, give you a receipt, collect your phone and verify the fluxplayer app is installed, give you a receipt for the phone to be kept in Kris's office during the presentation and give you a copy of the National Guild of Hypnotists guidelines under which Kris operates.

The presentation will be in Kris's office building on the 2nd floor, in a specifically designated place, well-marked, referenced on a sign at the front door and at the top of the stairs.

During the presentation it is of utmost importance to have no interruptions, as people are investing time and money to come to Kris's presentation.

This is important and life-changing training.

Kris expects you to respect the presentation and the people involved with it.

Please be silent when Kris is speaking.

No interruptions.

Kris will offer you his referral program and e-mail opt-in program at the end of the presentation.

WHAT YOU WILL DO

WHEN YOU SHOW UP

NO CELLPHONES AND NO RECORDING DEVICES ALLOWED

On a personal note Kris regrets to have to write the following:

NO CELL PHONES OR RECORDING DEVICES ALLOWED IN THE PRESENTATION SECTION OF Kris's "20 minute stress release" PROGRAM.

If Kris discovers you have brought a recording device or a cell phone to be used to record the presentation Kris will throw you out and not refund your money.

If your cell phone or recording device goes off and interrupts Kris's presentation he will:

#1) Stop the presentation.

#2) Throw you out.

#3) Collect, via lawsuit, the admission price my audience paid me for the presentation, payable to Kris.

#4) Collect, via the same lawsuit, the admission price of your fellow attendants and give it back to them.

#5) Collect the court costs of same from you in the same suit, payable to Kris.

Kris does recognize he needs to stop disrespect, boorish behavior and theft of time and commodities as best as possible before it happens (both for Kris, his customers and clients).

WHAT YOU WILL DO

AFTER YOU HAVE SHOWN UP

AND SAT THROUGH THE PRESENTATION

HOW TO TRAIN YOURSELF WITH THE RECORDING

The really fascinating part about hypnosis is how easy it is to master the process, once you understand what it is and how it works. After you have had your session the suggestions are implanted in your subconscious mind.

Then you listen to the recording and follow your instructions.
