# Who We Are

## About Us:

The goal of the *Friends* organization is to support the Hellertown Area Library.

*Friends* recognize the vital role the library plays in the communities of the Borough of Hellertown and Lower Saucon Township.

We do this through hosting fund raising events, providing volunteer assistance, and promoting awareness of the library's needs and services to the residents.

The financial stability of the library and its general well-being are the core of the Friends' common interest.

## What We Do

Library Friends groups provide organizational and financial support for their affiliated library. They help fill in the “gaps” that are not covered by available public funding.

Friends of the Hellertown Area Library...

- Promote community awareness and use of the library
- Plan and organize fund raising events
- Sponsor lectures, workshops, and other programs that enrich our communities’ cultural life
- Provide recognition for the exceptional services performed by library staff and volunteers
- Supply volunteer assistance for programs and events
- Furnish funds to help support the library’s operations and services

As a member of the *Friends of the Hellertown Area Library*, you’ll be meeting and working with people who love their library.

It’s a great way to become more involved in your community, show your support for the library, and have fun along the way.

*Become a Library Friend and you’ll find yourself among friends!*
