## **ISA-D PPAM 2025 - Petroleum & Power** **Automation Meet 2025**

While the Indian Energy sector is going through a crucial phase, dependence on imported raw material, domestic manufacturing incentives and green hydrogen investments etc. reflect strong commitment. The need of the day is for Excellence in Energy Transition that can promote innovation in approach as well as methodology. However, challenges in power generation, refining efficiency, downstream processes, green energy etc. remain. Addressing these issues through automation reforms and technological advancements will be key to ensuring a resilient and sustainable energy transition.

To empower this evolving sector, the **ISA-D PPAM 2025 – “PETROLEUM & POWER AUTOMATION MEET- 2025”** is being hosted by ISA Delhi with the theme of "**Advanced Automation for Energy Resilience**" to facilitate knowledge exchange, drive inspiration, share perspectives and resolve challenges.

This Specific **MEGA EVENT** will bring together all the stake holders i.e. the End users, Manufacturers, Integrators, Consultants, EPC companies, Research organizations and Academicians to facilitate contribution of fresh know-how in OIL & GAS as well as POWER Industry domains.

This ISA Delhi Section's Conference & Exhibition will be held on **2<sup>nd</sup> & 3<sup>rd</sup> of May 2025 (Friday & Saturday)** at **Hotel Eros, Nehru Place, New Delhi**.

The **ISA-D PPAM 2025 – “PETROLEUM & POWER AUTOMATION MEET- 2025”** symposium will on one hand allow the conference delegates to understand & network with automation fraternity and discuss key issues. On the other hand, the domain experts of the industry shall share presentations and conduct workshops on best practices, case studies, new learnings, key solutions, and technological developments together with Users & Producers.

With an active participation of experienced professionals from India's leading organizations in the past years like IOCL, ONGC, GAIL, IGL, NTPC, BHEL, IFFCO, Cairn India, EIL, PDIL, Technip, Fluor, Bechtel, Topsoe, CB&I, HMEL, Petrofac, Tractabel, Desein, Doosan, Toshiba, Honeywell, Emerson, Yokogawa, Siemens, L&T etc., we are absolutely sure that the forthcoming program would also provide new concepts and insights for your business as well as professional need.
