Insurance bill has been introduced again. It is horrible for us. Please go online and read. We did find out some info in regards to the profit that the insurance companies are making and its in the billions. Please get with your Reps and let them know that we don't want this insurance company plan.

We now have T-shirt sponsor forms. Get with Wally if you need some. We need t-shirt designs by next month so we can vote on them and get our shirts ordered
