## Reasons to become a Certified Consulting Hypnotist

- You will be able to help people make positive change in their lives.
- You will be able to earn good money and create your own hours.
- You will have more freedom to do what's important to you each day.
- You will be a member of the largest, friendliest hypnosis guild in the world, the National Guild of Hypnotists!
- You will have a deeper understanding of why you are the way you are and how to change beliefs that no longer work for you.
- You will be able to start seeing clients as soon as the training ends, which makes the course pay for itself!
- Graduates of my training can audit future certification trainings - **FREE!**

*This program is for anyone interested in becoming a Certified Consulting Hypnotist with the National Guild of Hypnotists, including professionals of all kinds and hypnotists who want to expand their skills. It is also for individuals who wish to take the training for their personal development.*

Debi Boushey, Board Certified Hypnotist and Instructor with the National Guild of Hypnotists brings more than thirty years of hands-on experience into her hypnotist certification training course.

She is the owner of Healed Heart Hypnosis and has a beautiful hypnosis training and healing center in Berkeley, CA. Debi continues to work with private clients daily and holds three hypnosis certification trainings a year, keeping her very engaged in all aspects of running a profitable alternative healing business.

Working from a heart-based foundation of respect and integrity allows each student to explore their own personal growth while taking the necessary steps to gain the knowledge, skills and confidence to become a successful Certified Hypnotist. Her training/coaching programs have been described as a personal life transformation experience!
