Dear Family and Friends,

We at the Ohio Gymnastics Institute, Inc. have been awarded the privilege of hosting the 2022 Boys' Gymnastics Championships. We will be hosting over 300 athletes and their families from across the state, ultimately bringing nearly 750 patrons into our communities for that week end alone. This event will take place on March 18-20, 2022 at the Niles Wellness Center, and serves as the qualifier for the Region 5 Championships in April.

The support of family and friends is the backbone of each athlete and serves as a reflection of their hard work and success. We are reaching out to you for one more level of support by asking you to purchase a program ad to support your gymnast, team or all the boys participating. Ads run from \$25 to \$125 and range from ¼ page to a full page ad geared towards your gymnast and can include your personal message. For most gymnasts, an event program is a keepsake; therefore support such as this will only make this event more memorable for the gymnasts, their families, coaches, judges and staff who are working endlessly to make this event a collaborative accomplishment. All proceeds will go towards event expenses.

We believe events such as this one will only bring a community together, while strengthening the bonds between gymnasts, their teams, families and friends. We look forward to your support of our children, and their fellow athletes across the state of Ohio. If you are interested in purchasing an ad, please complete the form attached and submit with your payment by the deadline of March 1, 2022.

We thank you in advance and look forward to seeing you and meeting your gymnasts in March.

Respectfully,

Your OGI Family
