## NUCLEAR STRIKES IN THE UNITED STATES ACCORDING TO PHILLIP BARNETT

Given this illustrated Scenario, it would only take approximately 20-30 Hydrogen Bombs to completely destroy a once Great Nation such as the USA. If the top 100 major Urban Centers were targeted alone, 90 percent of the 250+ Million People of the USA would perish within 3 Weeks. As the Scenario portrays, 1 Detonation alone on each of the top 20 major Cities from the list would vaporize instantaneously over 30 Million People. Targets do not include Military Installations.

~20 Tsar Bombs of 100 MT each or Hydrogen Bombs would kill approximately

33 Million People instantaneously, 10% of a population of ~300 million. Another 20-30 million would die due to Radiation within a few weeks.

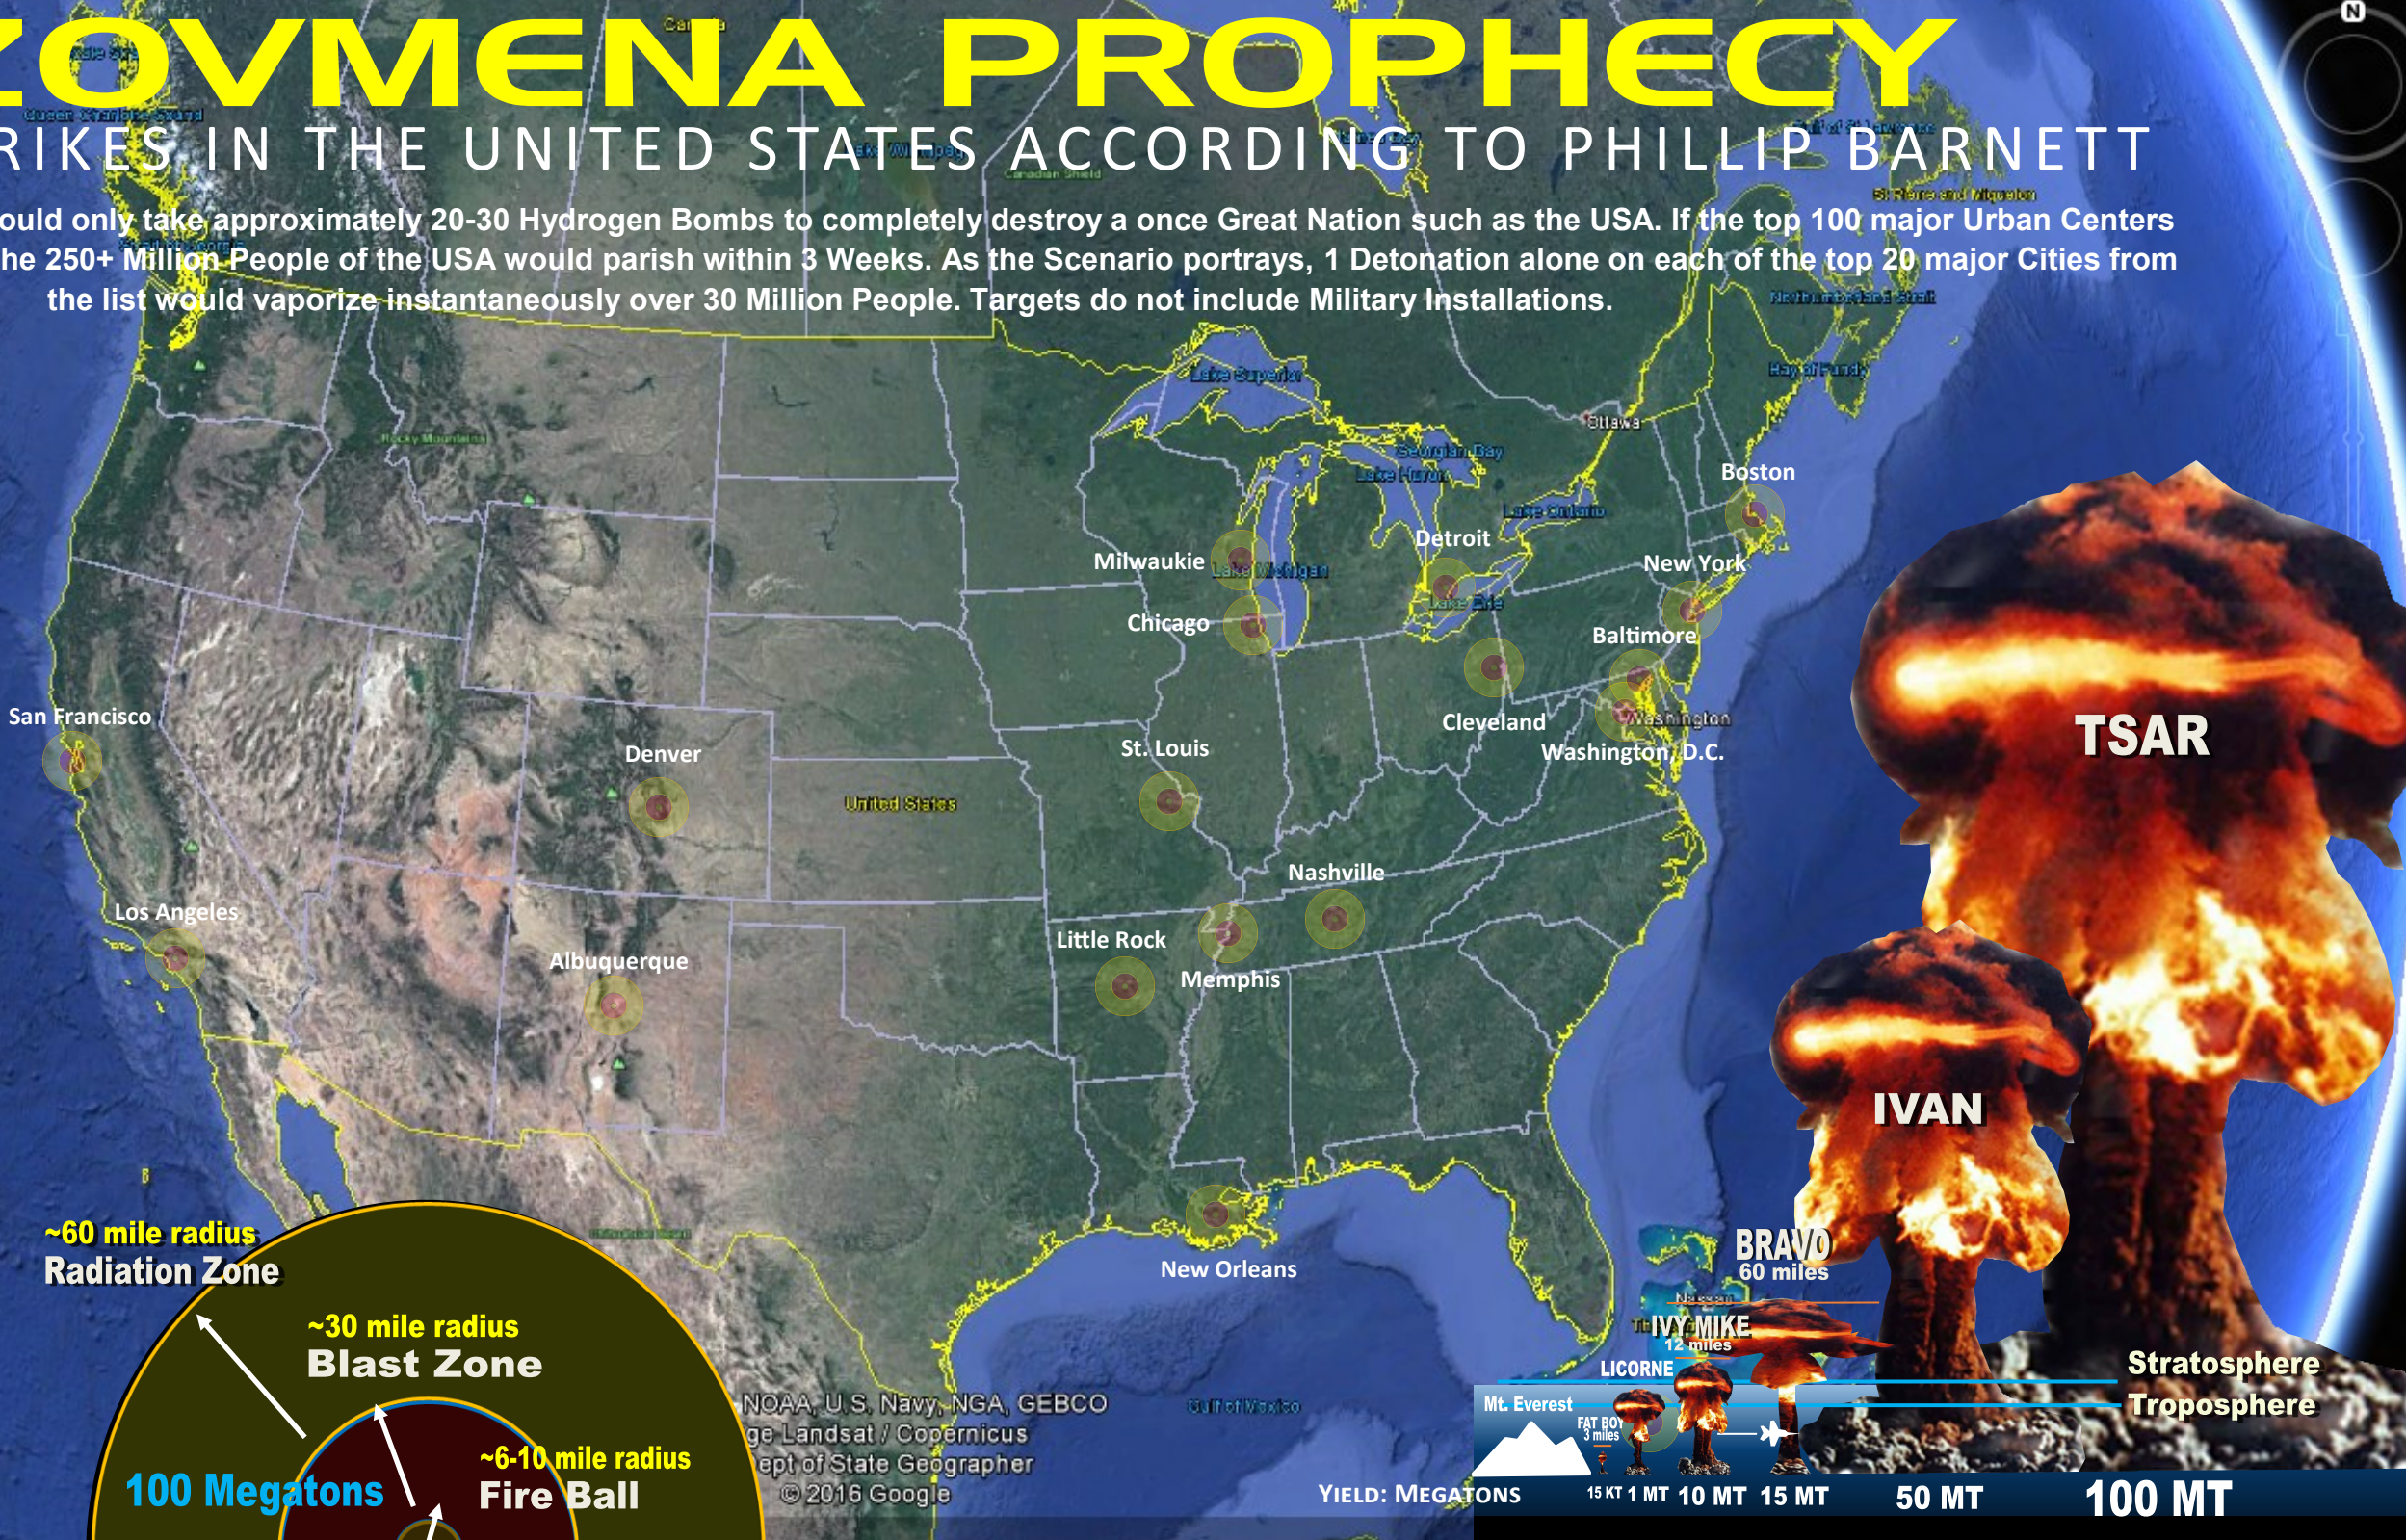

According to Missionary to the Ukraine, Phillip Barnett, in 2007 he received a Vision of how Russian would invade the Ukraine. The Eastern Portion would be acquired by Russia in an alliance with Belorussia. After the Rapture Event, the West, to include the USA and NATO would strike the Russian Army in Eastern Ukraine with at least 8 Unclear Weapons. This would lead to a Relations
