--	---------------------	----------------

Mr. David Bolger is a Senior Technical Sales Representative with North 49 Sales Agency Inc., a manufacturer’s sales agency representing the Western Canadian market including Saskatchewan, Alberta and British Columbia.

David focuses his effort on representing Johns Manville and Bitumar with the specifier community including building envelope consultants, architects and engineers as well as interfacing with roofing contractors and distribution to ensure support and continuity in the market space.

David holds a BA Economics from the University of Western Ontario. David is an accomplished sales person who brings over 25 years of sales experience selling high-end commercial/residential windows in the Western market. He possesses a comprehensive understanding of architectural sales and supported those efforts working with an extensive network of window applicators to see projects through completion.

His work will significantly benefit the JM/Bitumar roofing business in Western Canada.
