OFFICE INFO

Items not allowed in school

We have staff and students with allergies and
sensitivities that we must take into
consideration. In order to best protect the health of
those individuals, the following items are not
allowed in the school at any time:

LATEX: No balloons, jewelry, gloves, rubber
products, etc. that may contain latex. Mylar
balloons are fine as are vinyl gloves (for
emergencies and food service).

BANANAS: Please do not bring into the school or
send in your child's lunch.

NUTS: No food or decorative items with nuts may
be brought into the school.

Student Absences

We understand that it is necessary for students to
miss school occasionally. **Please inform the office**
of any absence by calling 487-2202 and speaking to
Judy or Jonna. **In addition, when picking up or
dropping off your child at other than the
beginning or end of the school day, please check
in at the office.** Your assistance is greatly
appreciated.

We also understand that parents need to be gone
from time to time and leave their children in the
care of others. Should you need to be gone and
someone else is responsible for your child(ren),
please call the office and let us know.

Student Illness

There are a few illnesses making the rounds in the
community. If your child is ill with vomiting,
diarrhea, or a fever, we ask that you please keep
your child home a full 24-48 hours after the last
incident of vomiting and/or diarrhea or after the
fever breaks. Encourage your child to wash his/her
hands with soap and water to help decrease the
chances of sharing germs.

Student Medications

Every year colds, flu, and other ailments make their
way through the school population. **If your child
must take medication during the school day, it
must be processed through the school office.**

Parents/Guardians are required to come in and sign
medication forms. All prescription medication must
be in the original bottle with the pharmacy label.
Over-the-counter medications must be in the
original bottle. Inhalers should have a label on the
barrel. Students are NOT allowed to keep
medications with them or in their lockers.
