### **SCOPE OF COVERAGE**

Note that our warranty is not an unconditional guarantee for the duration. Valley, Dynamo and Tornado products are made to our exacting standards and known for their durability, but are not indestructible and may require periodic maintenance in order to function properly. The following are not covered by the warranty.

- 1) Shipping or transport damage
- 2) Normal wear and tear
- 3) Damage or deterioration resulting from neglect, misuse, accident, liquid spills, improper installation, abuse, pets or mishandling
- 4) Incidental or consequential damage (except at Valley-Dynamo's discretion).
- 5) Removal or installation charges.
- 6) Shipping charges except at Valley-Dynamo's discretion.
- 7) Unauthorized modification of the product.
- 8) Use of this product with unapproved parts, conversion kits or accessories.
- 9) Damage from fire, flood, lightning or other acts of nature

### **EXCLUSION OF DAMAGES**

Valley-Dynamo's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product at our option. Valley-Dynamo shall not, in any event, be liable for any incidental or consequential damages

resulting from interruption of service, loss of business or revenue, or for liability in tort relating to this product or resulting from its use or possession.

### **LIMITATIONS OF IMPLIED WARRANTIES**

There are no other warranties, expressed or implied, including but not limited to those of merchantability, revenue generation, or fitness for a particular purpose. The duration of implied warranties is limited to the period specified in the Warranty Length section above.

### **NO “LIFETIME WARRANTIES”**

We have received calls asking about a “lifetime” warranty on certain Tornado components. No Tornado component has “lifetime” coverage and while we strive to produce a high-quality product without manufacturing defects and faults, nothing is indestructible.
