- PROJECT NAME:** Marymount Hospital, Garfield, OH
- INSTALLED:** August 2005
- PROBLEM** The Garfield Hts. Fire Chief Collova requested additional emergency access to the hospital grounds.
- SOLUTION** Geoblock 5150 Porous Pavement System by Presto was used to make an access way that was strong aesthetically pleasing.
- ENGINEER:** Ken Fertal, PE, PS, Wade Trim Ohio Inc., Cleveland, OH
- CONTRACTOR:** Terrace Construction, Cleveland, OH
- OBSERVATIONS:** *“The grass grew in so nice that it blends in with the surroundings. . . . To date it appears the Geoblock was a great solution for this case.”*
