

THE BUCKS COUNTY 4-H MARKET HOG SALE

Saturday at 2 pm

**Support the 4-H Swine Club members by
purchasing a market hog!**

- Choose to have the pig processed and
put it in your freezer
- Buy-back is available if you want to contribute money, but do
not want the pig
- Absentee bids and donations are accepted

Bucks County 4-H Club members will be selling their market hogs at the Middletown Grange Fair on Saturday, August 15th at 2:00 p.m. You can help support the 4-H program and our livestock project members, by purchasing a 4-H hog. There will be about 40 market hogs for sale.

When purchasing a hog there are two options of what to do with it:

1. If you want to put the hog in your freezer, we will make arrangements to have it processed to your specifications. We will also transport the animal, free of charge, to a local butcher. You will be responsible for paying the processing costs, about \$0.95/lb for carcass weight, and for picking up the meat. A 250-pound hog will yield 175 pounds of meat.
2. If you want to help our 4-H members but do not want the hog; we have a **BUY BACK** program. A local livestock buyer will pay market price for every animal in the sale. Once you determine the amount of money you wish to contribute, we simply add that to the buy back price. For instance, if the buy back price is \$225 and you wish to contribute \$50, you would bid the animal up to \$275 (225 + 50). You would contribute \$50, the livestock buyer would pay \$225 and take the animal, and the 4-H member would be paid \$275.

NOTE: It is important to find buyers! If you do not find buyers, you will only receive the “buy back” price.

While we enjoy having all buyers at the sale, we understand that not everyone can be there. Therefore, we do accept absentee bids. You can either give a check to the 4-H member (made payable to Bucks County 4-H Swine Club) or call Bob Brown at 215-345-3283 and place an absentee bid. We will gladly bill you after the sale. When you do call, please indicate which 4-H member the bid is for.

Because some people like to use their businesses to support 4-H, we make every effort to have the buyers names printed in local newspapers. If you are at the sale, we will take your picture with the lamb/hog and send that to the papers. We will also send you a photo of the 4-H member you supported with his/her animal as well as a buyer's placard, which can be displayed, in your business office.

We hope you'll consider supporting the Bucks County 4-H livestock program. It's an excellent way of helping today's youth with a tax-deductible donation.

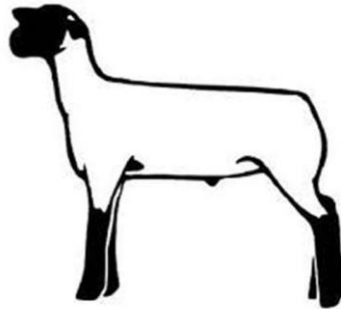

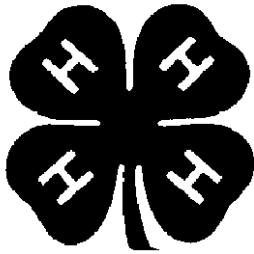

If you have any questions, please contact us at 215-345-3283.

Don't forget to come back for
