VOLUNTARY and will be available to **ANYONE**, even those who may be asymptomatic. Members of the community need only bring a valid ID and insurance card if they have one. **There will be no out of pocket costs** for those seeking to be tested. Lafayette General Health has declared that no one will be refused a test based upon their insurance status.

Also, the testing will be conducted in a drive-thru setting. Hence, everyone should remain in their vehicles. Further, there should be no more than four persons per vehicle.

Test results will be provided within 24-72 hours via the MyHealth patient portal. Those testing positive will be contacted by telephone.
